GOVERNMENT NOTICE.

WITH reference to the Treaty of Peace granted to the Kaffir Chiefs of the Tribes T'Slambie, Umhala, Tsyolo, and Gazelli, and their families, on the 17th of September 1835, and published in the Government Gazette of the 2d October following;—The Commissioners under the 12th Article of the said Treaty, have finally concluded and ratified it in the terms therein prescribed, and have established the Locations accordingly. Having however, at their own suggestion, and by permission of His Excellency the Governor, extended the general Northern Boundary in favor of the Tribe, by carrying it from "the Ford over the Gonube, up its left bank to its source in the Umencoo, thence along the latter to its junction with the Gonube Mountain, and thence to the line one mile South of the high road, as in the 6th Article of the Treaty."

And the said Commissioners have also, being duly authorised thereto by His Excellency the Governor, and with reference to the 11th Article of the Treaty, located the great Widow of Dushanie, Noniibe, Siwana, the son of that Chief, together with the Chief Umgahie, on the right bank of the Buffalo, within a space, bounded on the West, by the left bank of the Keiskamma;—on the South, by the Northern side line of the Location of the Chief Pato, viz. And the said Commissioners have also, being duly authorized thereto by His Excellency the Governor, located the Chief Tzatzoe on the right bank of the Buffalo, allotting to him two portions of land, respectively, as follow, viz:

1st. Bounded on the East by the right bank of the Buffalo; on the West and South by the left bank of the Quakwebe; and on the North by a line drawn from the Ford on the road to Fort Beresford, below the old trading station of Messrs. TRADE WITH CHINA.

[*Bell's comparative view of the external commerce of Bengal.*]

The trade with Canton has experienced decline in the aggregate value of Imports, to the extent of Sa Rs. 3,40,175½, thus,

Decrease on Treasure,	4,64,141½
Increase on Merchandize,	1,23,966
Sa. Rs.	3,40,175½

On Exports the increase is, Sa. Rs. 18,10,324; viz.

Increase on Merchandize,	18,36,501
Decrease on Treasure,	26,177
Sa. Rs.	18,10,324

Imports have been increased by excessive receipts of tea, cassia, silks, earthenware, stationery, &c. but these have been reduced to a less favorable balance by a deficit of Peruvian copper to the extent bz. mds. 5 668, value Sa. Rs. 1,33,041. Vermillion and camphor also exhibit a falling off.

The decline in the value of Imports is to be ascribed to the opening of the China trade, returns for opium and cotton being made on better terms to Great Britain direct in tea.

Exports, as anticipated, have greatly increased. The company having ceased to export, the cotton trade has fallen into the hands of private merchants, and very extensive shipments have been made during the past year.

Thus in 1833—34, the company exported to China 1,30,738 maunds, and the whole of the cotton, shipped on company's and private account, to all parts, amounted to maunds 1,43,555, in official value Sa. Rs. 14,32,501; whereas, during the last year, although confined to private enterprize, the aggregate quantity shipped was 3,36,827 maunds, in official value 31,46,139 rupees, being more than double of the previous year. Of this, no less than 2,99,114 maunds, value 27,60,170 rupees, have gone to China, and this sum of itself is far more than the increase in the whole Export trade.

The exportation of Rice constitutes a very formidable amount increase. From 66,900 maunds, value 1,38,887 rupees in 1833—34, it rose to 3,19,200 maunds, value 4,79,217 rupees in 1834—35, being an augmentation of 2,52,300 maunds, value 3,40,330 rupees, in consequence of short crops at Manila.

There is moreover some advantage in carrying Rice to China, by the exemption from port charges, at Whampoa, on vessels with Rice cargoes, which on other average 2,566 dollars.

Cotton twist, the manufacture of Fort Gloster, shows improvement; the quantity shipped being double of that in the preceding year, Putchuck and Bengal, as well as British cotton piece goods, have been likewise more extensively exported.

Against all these, and a few more of minor importance, we have to place a considerable falling off under the head of opium.

The Chief Kaptyn states in reply—that it is his and his people's particular desire, to be under British protection, that he never has joined with the Kaffirs in any warfare, and never will do so, and agrees in every way to the above Conditions.

This done at Kraai River, on the 26th day of December, one thousand eight hundred and thirty-five.

JAMES O'REILLY, Esq. Justice of the Peace, has assured the Chief Kaptyn, in the name of His Excellency the Governor, of the protection of the British Government so long as he and his Tribe conduct themselves according to the terms of this Agreement.

Capt. G. Bayly, of the English ship Hoogley, who put into St. Helena Nov. 13, on his homeward-bound passage from China, reports that the bark *Troughton* fell in with a gale of wind between Parscelles and Macao, in which she was totally dismasted, and on the following day, when within a few miles of the Mandarin's Cap or near St. John's Island, she was boarded by two piratical boats containing about 80 to 100 men, who, after dangerously wounding Capt. Thompson and the Cook of the vessel, plundered her of all the specie on board, amounting to 60,000 dollars.

The Medora, John Craig, Fanny, and New Grove, experienced an Earthquake in the evening of the 26th August, between 8 and 9 o'clock, near the Line, in about 94 E. long.—The shocks were violent and continued for about 10 minutes.—*St. Helena Shipping List, Nov. 21.*

SOUTH AFRICAN COLLEGE.

THE SENATE of the SOUTH AFRICAN COLLEGE begs leave to announce, that the Classes of that Institution will be opened on TUESDAY, 9th instant, at 10 o'Clock.—And that on MONDAY, 8th instant, at the same hour, the Senate will attend in the Senate Room for the purpose of matriculating Students. Information will then be given respecting the hours to be occupied with the different subjects, which, under the arrangements proposed for the present year, will be included in the Course.

According to the Regulations adopted by the Shareholders at their Meeting on Friday, 28th ult., *no Matriculation Fee*, as heretofore, will be chargeable to the Pupils. The Professors' Fees will have to be paid as follows, viz:—

One-half at entry, and for the other half, a Promissory Note must be given, at 6 months date. These Fees will be payable for the Classes respectively for which each Pupil may be entered according to the following scale:—

Classics in English, - - -	£4

French and German, each, - -	£2

The Parents and Guardians, therefore, will be at liberty to select such Classes as may be found most suitable to the views and prospects of the Pupils. A *Superintending Usher* will be employed for the purpose of attending to the conduct of those Students who may not be in class during the whole of the College hours, whose duty it will be also to give Lessons in writing to the Pupils at suitable periods, and to see that prescribed exercises are performed. It will, therefore, be understood, that the Pupils will not be permitted to leave the College during the College hours, except special leave be granted to that effect.

Public Lectures in the College, at which the Parents and Guardians will have liberty to attend, will be given occasionally during the Session, when experimental illustrations of those subjects which may have been considered in the Physical Class, will be prescribed and explained.

CAP. XIX.

An Act to amend and consolidate the Laws relating to the Merchant Seamen of the United Kingdom, and for forming and maintaining a Register of all the Men engaged in that Service.

[30*th July* 1835.]

WHEREAS the Prosperity, Strength, and Safety of this United Kingdom and of His Majesty's Dominions do principally depend on a large, constant, and ready Supply of Seamen, as well for carrying on the Commerce as for the Defence thereof; and it is therefore necessary to aid by all practicable Means the Increase of the Number of such Seamen, and to give them all due Encouragement and Protection, and to this End to amend and consolidate the Laws relating to their Regulation and Government: Be it therefore enacted by the King's Most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That from and after the Thirty first Day of *July* One Thousand Eight Hundred and Thirty-five, from which Day this Act shall commence and take effect, an Act passed in the Second Year of the Reign of Her late Majesty Queen *Anne*, for the Increase of Seamen, and better Encouragement of Navigation, and Security of the Coal Trade; and also an Act passed in the Second Year of the Reign of His late Majesty King *George* the Second, for the better Regulation and Government of the Seamen in the Merchant Service; and also an Act passed in the Second Year of the Reign of His late Majesty King *George* the Third, for making perpetual the last-mentioned Act, and for extending the Provisions thereof to His Majesty's Colonies in *America*; and also an Act passed in the Thirty-first Year of the Reign of His said Majesty King *George* the Third, for the better Regulation and Government of Seamen employed in the Coasting Trade of this Kingdom; and also an Act passed in the Forty-fifth Year of the Reign of His said late Majesty, for amending the last-mentioned Act; and also an Act passed in the Thirty-seventh Year of the Reign of His said Majesty King *George* the Third, for preventing the Desertion of Seamen from *British* Merchant Ships trading to His Majesty's Colonies and Plantations in the *West Indies*; and also an Act passed in the Fifty-eighth Year of the Reign of His said late Majesty King *George* the Third, to extend and render more effectual the Regulations for the Relief of Seafaring Men and Boys, Subjects of the United Kingdom, in Foreign Parts; and also an Act passed in the Fourth Year of the Reign of His late Majesty King *George* the Fourth, for regulating the Number of Apprentices to be taken on board *British* Merchant Vessels, and for preventing the Desertion of Seamen therefrom; and also an Act passed in the Fourth Year of His present Majesty's Reign, for continuing an Act of the Fifty-ninth Year of King *George* the Third, for facilitating the Recovery of the Wages of Seamen in the Merchants Service, shall be, and the same are hereby declared to be repealed: Provided always, that all Offences which shall have been committed, and all Penalties and Forfeitures which shall have been incurred previous to the commencement of this Act, against the Provisions of the said Acts, shall and may be punishable and recoverable under the said Acts as if the same had not been repealed.

II. And be it further enacted, That it shall not be lawful for any Master of any Ship or Vessel belonging to any Subject of His Majesty of this United Kingdom trading to Parts beyond the Seas, or of any *British* registered Ship of the Burthen of Eighty Tons or upwards employed in any of the Fisheries of the United Kingdom or in trading Coastwise or otherwise, to carry to Sea on any Voyage, either from this Kingdom or from any other Place, any Seaman or other Person as one of his Crew or Complement (Apprentices excepted,) without first entering into an Agreement in Writing with every such Seaman, specifying what monthly or other Wages each such Seaman is to be paid, the Capacity in which he is to act, and the Nature of the Voyage in which the Ship is intended to be employed, so that the Seaman may have some Means of judging of the probable Period for which he is likely to be engaged; and the said Agreement shall contain the Day of the Month and Year in which the same shall be made, and shall be signed by the Master in the first instance, and by the Seamen respectively at the Port or Place where such Seamen shall be respectively shipped; and the Master shall cause the same to be, by or in the Presence of the Party who is to attest their respective Signatures thereto, truly and distinctly read over to every such Seaman before he shall be required to sign the same, in order that he may be enabled to understand the

Purport and Meaning of the Engagement he enters into, and the Terms to which he is bound.

III. And be it further enacted, That in the cases of Ships as aforesaid bound to Parts beyond the Seas, except as hereinafter provided, every such Agreement shall be in the Form and shall contain true Entries under their respective Heads of the several particulars set forth in the Schedule to this Act annexed and marked (A.), so far as the same can be ascertained; and that the Owners and the Master of every such Ship, or one of them, shall, on reporting his Ship's Arrival at her Port of Destination in the United Kingdom, deposit or cause to be deposited with the Collector or Comptroller of the Customs at such Port a true Copy of such Agreement, attested by the Signature of the Master, to the Intent that every Person who may be interested in any such Agreement may at all Times have the Means of knowing the Terms and Conditions thereof; and that in the cases of Ships employed in Fishing on the Coasts of the United Kingdom, and of Ships regularly trading from one Part of the United Kingdom to another, and of Ships regularly trading or making regular Voyages to any of the Islands of *Jersey*, *Guernsey*, *Alderney*, *Sark*, and *Man*, or to any Port on the Continent of *Europe* between the River *Elbe* inclusive and *Brest*, the Agreement to be entered into as aforesaid shall be in the Form and shall contain true Entries under their respective Heads of the Particulars set forth in the Schedule to this Act annexed and marked (B.), so far as the same can be ascertained; and that the Owner or one of the Owners of every such Ship employed in Fishing or in Trading in any of the Cases last mentioned, shall to the like Intent, within Ten Days next after the expiration of every Six Month sending on the Thirtieth Day of *June* and the Thirty-first Day of *December* in each Year, deposit with the Collector or Comptroller of the Customs of the Port to which the Ship shall belong, a true Copy of every Agreement which shall have been entered into with any Person composing part of the Crew thereof within the preceding Six Months, attested by the Signature of such Owner; and all Copies of Agreements so required by this Act to be deposited as aforesaid, shall, when the same shall have been so deposited, and shall be required to be produced in Evidence on the part of any Seaman, be received and taken as legal Proof of the Contents of the Agreement.

IV. And be it further enacted, That if any Master of any such Ship as aforesaid shall carry out to Sea any Seaman (Apprentices excepted), without having first entered into such Agreement as is hereby required, he shall for every such Offence forfeit and pay the Sum of Ten Pounds for or in respect of each and every such Seaman he shall so carry out contrary to this Act; and if any Master shall neglect to cause the Agreement to be distinctly read over to such such Seaman, as by this Act he is enjoined, he shall for every such Neglect forfeit and pay the Sum of Five Pounds; and if any Master shall neglect to deposit with the Collector or Comptroller of the Customs a Copy of the Agreement hereby required to be made and deposited as aforesaid, or shall wilfully deposit a false Copy of any such Agreement, he shall for every such Neglect or Offence forfeit and pay the Sum of Fifty Pounds.

V. And be it further enacted, That no Seaman, by entering into or signing such Agreement as aforesaid, shall forfeit his Lien upon the Ship, nor be deprived of any Remedy for the Recovery of his Wages which Seamen are now lawfully entitled to against either the Ship, the Master or the Owners thereof; nor shall any Agreement made contrary to or inconsistent with the Provisions of this Act, or any Clause whereby a Seaman shall consent to forego the Right which the Maritime Law gives him to Wages in the case of Freight earned by Ships subsequently lost, or containing any Words to that Effect, be valid or binding on any Seaman signing the same; and that in cases in which it may be necessary that the Agreement should be produced to sustain a Claim on the part of a Seaman, no Obligation shall lie upon the Seaman to produce the same, nor shall any Seaman fail in any Suit or Proceeding for the Recovery of his Wages, for Want of the Production of any such Agreement, or of any deposited Copy thereof as aforesaid, or for the Want of any Notice to produce the same; any Law or Usage to the contrary notwithstanding.

VI. And be it further enacted, That in case a Seaman shall at any Time, after having signed an Agreement as herein-before mentioned, neglect or refuse to join the Ship on board of which he shall have engaged to serve, or shall refuse to proceed to Sea in her, or shall absent himself therefrom without Leave, it shall be lawful for any Justice of the Peace in any of His Majesty's Dominions at Home or Abroad near to the Place where such Ship shall happen to be, upon Complaint of the Fact made upon Oath by the Master, Mate, or Owner thereof, and such Justice is hereby required, by his Warrant to cause such Seaman to be apprehended and brought before him; and in case such Seaman shall not give a Reason to the Satisfaction of such Justice for his Neglect, Refusal, or Absence, as the Case may be, upon due Proof of such Neglect, Refusal, or Absence it shall be lawful for any such Justice to commit such Seaman to the House of Correction, there to be kept to hard Labour for a Period not exceeding Thirty Days: Provided always, that in case such Seaman, on being apprehended and brought before the said Justice, shall consent to join the Ship and proceed on the Voyage for which he shall have agreed, it shall be lawful for the said Justice, at the Request of the Master, instead of committing such Seaman, to cause him to be conveyed on board the said Ship, or to be delivered to the Master for the Purpose of proceeding on the Voyage, and also to award to the Master such Costs incurred in the Apprehension of the Seaman as to such Justice shall seem reasonable, not exceeding in any Case the Sum of Forty Shillings, which shall be chargeable against and may be abated from the Wages to grow due to such Seaman.

VII. And be it further enacted, That if any Seaman, after having signed such Agreement as aforesaid, or after the Ship on board which he shall have agreed to serve shall have left her first Port of Clearance, and before the Period for which he shall have agreed to serve shall be completed, shall wilfully and without Leave absent himself from the Ship, or otherwise from his Duty, he shall (in all Cases not of absolute Desertion, or not treated as such by the Master,) forfeit out of his Wages to the Master or Owner of such Ship the Amount of Two Days Pay for every Twenty-four Hours of such Absence, and in a like Proportion for any less Period of Time, or, at the Option of the said Master, the Amount of such Expences as shall have been necessarily incurred in hiring a Substitute to perform his Work; and in case any Seaman, while he shall belong to the Ship, shall, without sufficient cause, neglect to perform such his Duty as shall be reasonably required of him by the Master or other Person in Command of the Ship, he shall be subject to a like Forfeiture in respect of every such Offence, and of every Twenty four Hours Continuance thereof; and in case any such Seaman, after having signed such Agreement, or after the Ship's Arrival at her Port of Delivery, and before her Cargo shall be discharged, shall quit the Ship without a previous Discharge or Leave from the Master thereof, he shall forfeit to the Master or Owner One Month's Pay out of his Wages: Provided always, that no such Forfeitures shall be incurred, unless the Fact of the Seaman's temporary Absence, Neglect of Duty, or quitting the Ship, shall be duly entered or recorded in the Ship's Log Book, which Entry shall specify truly the Hour of the Day at which the same shall have occurred, and the Period during which the Seaman was absent or neglected his Duty, the Truth of which Entry it shall be incumbent on the Owner or Master in all Cases of Dispute to substantiate by the Evidence of the Mate or some other credible Witness.

VIII. And be it further enacted, That in all Cases where the Seaman shall have contracted for Wages by the Voyage or by the Run, and not by the Month or other stated Period of Time, the Amount of Forfeitures to be incurred by Seamen under this Act shall be ascertained in manner following; (that is to say,) if the whole Time spent in the Voyage agreed upon shall exceed One Calendar Month, the Forfeiture of One Month's Pay, expressed in this Act, shall be accounted and taken to be a Forfeiture of a Sum of Money bearing the same Proportion to the whole Wages as a Calendar Month shall bear to the whole Time spent in the Voyage, and in like Manner a Forfeiture of Two Days Pay or less shall be accounted and taken to be a Forfeiture of a Sum bearing the same Proportion to the whole Wages as the same Period of Time shall bear to the whole Time spent in the Voyage; and if the whole Time Spent in the Voyage shall not exceed One Calendar Month, the Forfeiture of One Month's Pay shall be accounted and taken to be a Forfeiture of the whole Wages contracted for; and if such Time shall not exceed Two Days, the Forfeiture of Two Days Pay shall be accounted and taken to be a Forfeiture of the whole Wages contracted for; and the Master is hereby authorized to abate the Amount of all Forfeitures herein before enacted out of the Wages of any Seaman incurring the same.

IX. And be it further enacted, That every Seaman who shall absolutely desert the Ship to which he shall belong shall forfeit to the Owner or Master thereof all his Clothes and Effects which he may leave on board, and all Wages and Emoluments to which he might otherwise be entitled, provided the Circumstances attending such Desertion be entered in the Log Book at the Time and certified by the Signature of the Master and Mate or other credible Witness; and that an Absence of a Seaman from the Ship for any Time within the Space of Twenty-four Hours immediately preceding the sailing of the Ship without Permission from the Master thereof, or for any Period however short, under Circumstances plainly showing that it was his Intention not to return thereto, shall be deemed an absolute Desertion; and in case any such Desertion shall take place in Parts beyond the Seas, and the Master of the Ship shall be under the Necessity of engaging any Seaman as a Substitute for the Deserter at a higher Rate of Wages than that stipulated in the Agreement to be paid to the Seaman deserting, the Owner or Master of the Ship shall be entitled to recover from the Deserter by summary Proceeding, in the same Manner as Wages are by this Act made recoverable, any Excess of Wages which such Owner or Master shall pay to such Substitute beyond the Amount which would have been payable to the Deserter in case he had duly performed his Service pursuant to his Agreement.

X. And be it further enacted, That if any Person shall, either on Shipboard or on Shore, harbour or secrete a Seaman who shall have signed an Agreement to proceed on a Voyage to Parts beyond the Seas, and shall have deserted or absented himself without Leave from his Ship, knowing or having Reason to believe him to be a Deserter or to be absent without Leave, every Person so offending shall for every such Seaman so harboured or secreted forfeit and pay the Sum of Ten Pounds; and that no Debt exceeding in Amount Five Shillings, incurred by any Seaman after he shall have signed any such Agreement as aforesaid, shall be recoverable until the Voyage agreed for shall have been concluded; nor shall it be lawful for any Keeper of a Public House or of a Lodging House for Seamen to withhold or detain any Chest, Bed or Bedding, Clothes, Tools, or other Effects of any Seaman, for any pretended Debt alleged to have been contracted by any such Seaman; and in case any such Chest, Bed, Bedding, Clothes, Tools, or other Effects as aforesaid shall be withheld or detained contrary to this Act, it shall be lawful for any Justice of the Peace in any Part of His Majesty's Dominions, upon Complaint upon Oath to be made by any such Seaman or on his Behalf, to inquire into the Matter, and if he shall see right by Warrant under his Hand and Seal to cause any such Property or Effects so withheld or detained contrary to this Act to be seized and delivered over to the Seaman.

XI. And be it further enacted, That the Master or Owner of every Ship shall and he

is hereby required to pay to every Seaman entering into such Contract as aforesaid his Wages, if the same shall be demanded within the respective Periods following; (that is to say,) if the Ship shall be employed in trading Coastwise, the Wages shall be paid within Two Days after the Termination of the Agreement, or at the Time when any such Seaman shall be discharged whichever shall first happen; and if the Ship shall be employed in trading otherwise than Coastwise, then the Wages shall be paid at the latest within Three Days after the Cargo shall have been delivered, or within Ten Days after the Seaman's Discharge, whichever shall first happen; in either of which last-mentioned Cases of Payment being delayed, the Seaman shall at the Time of his Discharge be entitled to be paid on Account a Sum equal to One Fourth Part of the estimated Balance due to him; and in case any Master or Owner shall neglect or refuse to make Payment in manner aforesaid, he shall for every such Neglect or Refusal forfeit and pay to the Seaman the Amount of Two Days Pay for each Day not exceeding Ten Days during which Payment shall without sufficient Cause be delayed beyond the Period at which such Wages or Part Wages are hereby required to be paid as aforesaid; for the Recovery of which Forfeiture the Seaman shall have the same Remedies as he is by Law entitled to for the Recovery of his Wages: Provided always, that nothing in this Clause contained shall extend to the Cases of Ships employed in the Southern Whale Fishery, or on Voyages for which Seamen by the Terms of their Agreement are compensated by Shares in the Profits of the Adventure.

XII. And be it enacted and declared, That every such Payment of Wages to a Seaman shall be valid and effectual in Law notwithstanding any Bill of Sale or Assignment which may have been made by any such Seaman of such Wages, or of any Attachment or Incumbrance thereon; and that no Assignment or Sale of Wages made prior to the Earning thereof, nor any Power of Attorney expressed to be irrevocable for the Receipt of any such Wages, shall be valid or binding upon the Party making the same.

XIII. And be it further enacted, That upon the Discharge of a Seaman from the Ship in which he shall have served he shall be entitled to receive from the Master a Certificate of his Service and Discharge, specifying the Period of Service and the Time and Place of the Discharge of such Seaman, which Certificate shall be signed by the Master; and if any Master shall refuse to give such Certificate to any such Seaman without having reasonable Cause for his Refusal, he shall for every such Offence forfeit and pay to him the Sum of Five Pounds.

XIV. And be it further enacted, That if after a Seaman shall have been discharged from any Ship or Vessel Three Days he shall be desirous of proceeding to Sea on another Voyage, and in order thereto shall require immediate Payment of the Wages due to him, it shall be lawful for any Justice of the Peace in any Part of His Majesty's Dominions, on Application from such Seaman, and on satisfactory Proof that he would be prevented from Employment by Delay, to summon the Master or Owner of such Ship or Vessel before him, and to require Cause to be shown why immediate Payment of such Wages should not be made; and if it shall appear to the Satisfaction of such Justice that there is no reasonable Cause for Delay he shall order Payment to be made forthwith, and in default of Compliance with such Order such Master or Owner shall forfeit and pay the Sum of Five Pounds.

XV. And whereas Seamen, in Cases of Dispute, may be exposed to great Inconvenience, Expence, and Delay in obtaining Payment of their Wages; for Remedy thereof be it enacted, That in all Cases of Wages not exceeding Twenty Pounds which shall be due and payable to a Seaman for his Service in any Ship aforesaid, it shall be lawful for any Justice of the Peace in any Part of His Majesty's Dominions residing near to the Place where the Ship shall have ended her Voyage, cleared at the Custom House, or discharged her Cargo, or near to the Place where the Master or Owner upon whom respectively the Claim is made shall be or reside, upon Complaint on Oath to be made to such Justice by any such Seaman or on his Behalf, to summon such Master or Owner to appear before him to answer such Complaint, and upon the Appearance of such Master or Owner, or in default thereof, on due proof of his having been so summoned, such Justice is hereby empowered to examine upon the Oath of the Parties and their respective Witnesses (if there be any) touching the Complaint and the Amount of Wages due, and to make such Order for Payment thereof as shall to such Justice appear reasonable and just; and in case such Order shall not be obeyed within Two Days next after the making thereof it shall be lawful for such Justice to issue his Warrant to levy the Amount of the Wages awarded to be due, by Distress and Sale of the Goods and Chattels of the Party on whom such Order for Payment shall be made, rendering to such Party the Overplus (if any shall remain of the Produce of the Sale) after deducting thereout all the Charges and Expences incurred by the Seaman in the making and hearing of the Complaint, as well as those incurred by the Distress and Levy and in the Enforcement of the Justice's Order; and in case sufficient Distress cannot be found, it shall be lawful for the said Justice to cause the Amount of the said Wages and Expences to be levied on the Ship in respect of the Service on board which the Wages are claimed, or the Tackle and Apparel thereof; and if such Ship shall not be within the Jurisdiction of such Justice, then he is hereby empowered to cause the Party upon whom the Order for Payment shall be made to be apprehended and committed to the Common Goal of the Country, there to remain without Bail until Payment shall be made of the Amount of the Wages so awarded, and of all Costs and Expences attending the Recovery thereof; and the Award and Decision of such Justice as aforesaid shall be final and conclusive as well on every such Seaman as on the Owner and Master of the Ship.

XVI. And be it further enacted, That if any Suit for the Recovery of a Seaman's Wages shall be instituted against the Ship, or the Master or Owner thereof, either in the High Court of Admiralty or in any Vice-Admiralty Court, or against the Master or Owner in any Court of Record in His Majesty's Dominions, and it shall appear to the Judge in the Course of such Suit that the Plaintiff might have had as effectual a Remedy for the Recovery of his Wages by Complaint to a Justice of the Peace as herein-before provided, then and in every such Case it shall be lawful for such Judge, and he is hereby required to certify to that effect, and thereupon no Costs of Suit shall be awarded to the Plaintiff.

XVII. And be it further enacted, That whenever any Ship whatever belonging to any Subject of the United Kingdom, except in Cases of Wreck or Condemnation, shall be sold at any Port out of His Majesty's Dominions, the Master in all such Cases (unless the Crew in the Presence of the *British* Consul or Vice-Consul, or in case of there not being any such Consul or Vice Consul, then in the Presence of One or more *British* resident Merchants at such Port, shall signify their Consent in Writing to be there discharged,) shall and he is hereby required, besides paying them the Wages to which they shall be entitled under the Agreement, either to provide them with adequate Employment on board some other *British* Vessel Homeward bound, or to furnish the Means of sending them back to the Port in His Majesty's Dominions at which they were originally shipped, or to some Port in the United Kingdom, as shall be agreed upon, by providing them with a Passage Home, or depositing with the Consul or Vice Consul such a Sum of Money as shall be by him deemed reasonably sufficient to defray the Expences of their Subsistence and Passage; and if the Master shall refuse or neglect to do so, such Expences when defrayed shall be a Charge upon the Owner whose Ship shall be so sold, except in Cases of Barratry, Wreck, or Condemnation, and may be recovered against such Owner as so much Money paid and expended on his Account, together with full Costs, at the Suit of the Consul or other Person defraying such Expences, or of His Majesty's Attorney General on behalf of His Majesty, in case the same shall have been allowed to the Consul out of the Public Monies.

XVIII. And whereas it is necessary that due Provision should be made for the Preservation of the Health and Lives of the Seamen employed in the Merchant Service; be it further enacted, That every Ship sailing from the United Kingdom to any Place out of the same shall have and keep constantly on board the same a sufficient Supply of Medicines suitable to Accidents and Diseases arising on Sea Voyages, which shall be renewed from Time to Time as shall be found requisite; and in case any Default shall be made in providing or keeping supplied such Medicines as aforesaid, or in case any of the Seamen shall receive any Hurt or Injury in the Service of the Ship, the Expence of providing the necessary Surgical and Medical Advice, and Attendance and Medicines which the Seaman shall stand in need of until he shall have been cured or shall have been brought back to some Port of the United Kingdom, shall be borne and defrayed by the Owner and Master of the Ship, or One of them, without any Deduction whatever on that Account from the Seaman's Wages.

XIX. And whereas it is expedient that a Register should be formed and maintained of all the Mariners and Seafaring Men of the United Kingdom, be it therefore enacted, That as soon as conveniently may be after the passing of this Act there shall be established in the Port of *London* an Office, to be called "The General Register Office of Merchant Seamen," which shall consist of a Registrar and such Assistants and Clerks with such Salaries and Allowances as shall be fixed and regulated from Time to Time by the Lord High Admiral or the Commissioners for executing the Office of Lord High Admiral of the United Kingdom for the Time being, and that such Office shall be kept at the Custom House of the said Port, and daily Attendance shall be given thereat during the usual Hours of Business there; and the said Registrar, his Assistants and Clerks, shall be under the Control and Directions of the said Lord High Admiral or the Commissioners for executing the Office aforesaid for the Time being.

XX. And be it further enacted, That for the more readily carrying this Act into execution all Letters and Packets addressed to and sent by the said Registrar upon any Business relating to the Register Office created by this Act shall be free from the Duty of Postage; and that all Letters and Packets which shall be forwarded by the said Registrar in the Execution of his Duty as such Registrar shall be under a Cover, with the Words, "Pursuant to Act of Parliament of the Fifth Year of King *William* the Fourth," printed thereon, and the said Registrar shall sign his Name under such Words, and every such Cover shall be sealed with the Seal of his Office; and if the said Registrar or any other Person shall send or cause to be sent under any such Cover any Paper, Letter, or Writing, or any Inclosure, other than what shall relate to the public Business of the said Office, every Person shall for every such Offence forfeit and pay the Sum of One Hundred Pounds.

XXI. And whereas by an Act of the last Session of Parliament, intituled *An Act to amend an Act of the Twentieth Year of His Majesty King* George *the Second, for the Relief and Support of sick, maimed, and disabled Seamen, and the Widows and Children of such as shall be killed, slain, or drowned in the Merchant Service, and for other Purposes*, a certain Book by way of Muster Roll is for the Purposes of the said Act required to be kept on board Merchant Ships, which Book is to contain such Entries and Statement of Account as by the said Act is required: And whereas it is expedient for the better effectuating the Objects of this Act that a due Return should be made to the said Registrar of Merchant Seamen of many of the Particulars in the said Act specified; be it therefore further enacted, That the Master of every Ship belonging to any Subject of His Majesty, and bound to Parts beyond the Seas, except in the Cases next herein-after provided, shall not only keep the Book so required by the said recited Act, but shall, on reporting his Ship on her

Arrival at her Port of Destination in the United Kingdom, deliver or cause to be delivered to the Collector or Comptroller of the Customs at such Port an Account, signed by himself, of all the Seamen and others (including Apprentices) who shall have belonged to the Ship at any Time during her Absence from the United Kingdom, which Account shall contain a true and correct Return under their respective Heads of the several Particulars expressed in the Form set forth in the Schedule annexed to this Act, and marked (C.)

XXII. And be it further enacted, That within Twenty-one Days after the Thirtieth Day of *June* and the Thirty-first Day of *December* in each Year, the Owner or One of the Owners of every Ship as aforesaid employed in fishing on the Coasts of the United Kingdom, or in regularly trading from one Part of the United Kingdom to another, and of every Ship regularly trading or making regular Voyages to any of the Islands of *Jersey*, *Guernsey*, *Alderney*, *Sark*, and *Man*, or to any Port on the Continent of *Europe* between the River *Elbe* inclusive and *Brest*, shall deposit or cause to be deposited with the Collector or Comptroller of the Customs of the Port to which the Ship shall belong, or with the said Registrar in *London*, an Account, signed by such Owner, or by the Master, of the Voyages in which any such Ship shall have been engaged during the preceding Half Year ending on the respective Days above mentioned, and setting forth the Christian and Surnames of the several Persons (including the Master and Apprentices) who shall have belonged to the Ship at any Time during such Periods respectively, which Account shall be in the Form and shall contain a true and correct Return under their respective Heads of the several Particulars expressed in the Schedule marked (D.) and to this Act annexed.

XXIII. And be it further enacted, That in case any Ship as aforesaid shall be lost or sold while absent form the United Kingdom, then an Account containing a similar Return as required in the several and respective Cases before mentioned, which shall be made out up to the Period of such Loss or Sale, shall by the Persons who shall at that Time have been respectively Owner and Master thereof, or by One of them, be delivered or transmitted to the said Registrar in the Port of *London* so soon as he shall be enabled to make such Return after the Loss, and within Twelve Calendar Months at farthest after the Sale of the Ship.

XXIV. And be it further enacted, That the said several Accounts and Returns by this Act required to be deposited with or delivered to the Collector or Comptroller as aforesaid shall by such Officers of the Customs be transmitted from Time to Time to the said Registrar for the Purposes of this Act; and every such Owner or Master of any Ship as aforesaid who shall refuse or wilfully neglect to deliver or cause to be delivered any such List or Account as by this Act is required, shall for every such Refusal or Neglect forfeit and pay the Sum of Twenty-five Pounds.

XXV. And in order that due Care may be taken of the Effects of *British* Seamen dying in Foreign Parts, and that a proper Disposition may be made thereof, be it further enacted, That whenever a *British* Seaman being Abroad shall die elsewhere than on board a *British* Ship, leaving any Money or Effects within the Limits of any *British* Consulate, it shall be lawful for His Majesty's Consul there and he is hereby required to claim and take charge of all such Money and Effects, and to dispose of the said Effects for the Benefit of the next of Kin of the Deceased or other Person who may be by Law entitled to the same, and in case no Claim shall be made to the same within Three Calendar Months after the Death of such Seaman, the said Consul shall, after abating the Amount of any Expences which shall have been incurred in getting in the Assets of the Deceased, remit the Balance of all such Monies which either have already arisen or shall hereafter arise by the Means aforesaid to the President and Governors of the Corporation "For the Relief and Support of sick, maimed, and disabled Seamen, and of the Widow and Children of such as shall be killed, slain, or drowned, in the Merchant Service," to be by such President and Governors paid over and disposed of in the same Manner and under the same Regulations as are provided by the said recited Act of the last Session of Parliament with respect to the Wages of Seamen dying on board Merchant Ships; and in case any Seaman so dying as last mentioned shall leave on board the Ship to which he shall belong any Monies, Clothes, or other Effects, and the same shall not be claimed within One Month after the Ship's Return to the United Kingdom by the Executor or Administrator of the Deceased, then the Master of the said Ship shall and he is hereby required to deposit the same or the Proceeds arising therefrom with the President and Governors aforesaid, to be by them disposed of in the same Manner as is provided by the said Act with respect to the Wages of deceased Seamen.

XXVI. And whereas the giving due Encouragement to such of the Youth of the United Kingdom as shall voluntarily betake themselves to the Sea Service, and obliging others to do so, who, by reason of their own or their Parents Poverty are destitute of the Means of obtaining Subsistence and Employment, will not only greatly tend to the Increase of able and experienced Seamen, as well for the Service of the Royal Navy as for carrying on the Commerce of His Majesty's Subjects, but will likewise provide them with Employment, and thus materially diminish the Burthen of Expence cast upon Parishes by their Maintenance; be it therefore enacted, That it shall be lawful for the Overseers of the Poor or other Persons having the Authority of Overseers of the Poor of any Parish, Township, or Place in the United Kingdom, or in whom the Duty of Overseers or Guardians of the Poor shall or may be vested, and they are hereby empowered, to bind by Indenture and put not any Boy having attained the Age of Thirteen Years, and of sufficient Health and Strength, who or whose Parent or Parents is or are chargeable to or maintained by any such Parish or Township, or who shall beg for Alms therein, with his Consent but not otherwise, an Apprentice in the Sea Service to any of His Majesty's Subjects being the Master or Owner of any Ship registered in any Port of the United Kingdom, for so long Time and until such Boys shall respectively attain the Age of Twenty-one Years, which Binding shall be as effectual in the Law to all Intents and Purposes as if such Boy had been bound by virtue of any Statute now in force respecting the binding of Parish Apprentices, or as if such Boy were of full Age and had bound himself an Apprentice, and not withstanding the Residence of the Master or Owner to whom he may be bound shall be more than Forty Miles distant from such Parish or Place: Provided always, that every such Binding shall be made in the Presence of Two Justices of the Peace acting for the County, Riding, Division, City, Borough, or Place within which such Parish or Township shall be situate, which Justices shall execute the Indenture in Testimony of their having been satisfied that such Boy hath attained the Age and is of sufficient Health and Strength as required by this Act; and to the end that the Period when the Service under such Indenture shall expire may the more certainly appear, the Age of every such Boy shall be inserted in his Indenture, the same being truly taken from a Copy of the Entry of his Baptism in the Register Book of the Parish in which he was born (where the same can be obtained), which Copy shall be given and attested by the Officiating Minister of such Parish without Fee or Reward; and in Cases where no such Entry of Baptism can be found, the Justices aforesaid shall inform themselves as fully as they can of such Boy's Age, and from such Information shall insert the same in his said Indenture, and the Age of every such Boy so inserted therein shall (in relation to the Continuance of his Service) be taken to be his true Age without any further Proof thereof.

XXVII. And be it further enacted, That it shall be lawful for any Master or Person to whom any poor Parish Apprentice shall have been or shall be hereafter bound to a Service on Shore according to the Statutes already in force relating to such Apprentices, or for the Executors or Administrators, or, there being none such, for the Widow of any such deceased Master, with the Concurrence of Two or more Justices of the Peace residing in or near to the Place where such poor Boy shall have been bound Apprentice, to assign and turn over such Boy, with his Consent, but not otherwise, Apprentice to any Master or Owner of any Ship not having her Complement of Apprentices as herein-after required, to be employed by such Master or Owner in the Sea Service during the Period then remaining unexpired of his Apprenticeship.

XXVIII. And be it further enacted, That in the Event of the Death of the Master of any such poor or Parish Apprentice to the Sea Service, it shall be lawful for the Widow or the Executor or Administrator of such deceased Master to assign the Indenture of any such Apprentice for the Residue of the Term then unexpired therein to any Master or Owner of any such Ship not having the Complement of Apprentices as herein-after required; all which Assignments, if executed within the Limits of the Port of *London*, shall be attested by the said Registrar or One of his Assistants or Clerks, and if at any other Port, shall be attested by the Collector or Comptroller of the Customs of such Port.

XXIX. And be it further enacted, That such Overseers or other Persons as aforesaid shall cause the Indentures of Apprenticeship to be prepared and transmitted in Duplicate, if the Master or Owner of the Ship to whom such Apprentice is to be bound shall be or reside within the Limits of the Port of *London*, to the said Registrar, and if at any other Port, to the Collector or Comptroller of the Customs at such Port; and the said Overseers or other Persons as aforesaid shall cause each such poor Boy to be conducted and conveyed to such Port or Place by the Constable, and at the Expence of the Parish or Township sending him thither, and shall also, upon the Execution by the Master of the Counterpart of the Indentures, cause to be paid down to the Master the Sum of Five Pounds, to be expended in providing such Boy with necessary Sea Clothing and Bedding; which Sum, as well as the Expences to be incurred in the Conveyance of the Boy as aforesaid, shall, when paid, be allowed to them in their Accounts of Monies expended in relation to the Poor.

XXX. And be it further enacted, That the Counterparts of all such Indentures shall, if the Master shall be or reside within the Limits of the Port of *London*, be executed in the Presence of and attested by the said Registrar or One of his Assistants or Clerks, and if at any other Port, by the Collector or Comptroller of the Customs at such Port, and also in both Cases by the Constable or other Officer who shall convey such Apprentices thither, and such Indentures shall bear Date respectively on the Days on which they are executed; and the Constable on his Return shall deliver such Counterparts to the Overseers or other Persons as aforesaid, to be by them registered and preserved.

XXXI. And be it further enacted, That the Master of every Ship belonging to any Subject of the United Kingdom, and of the Burthen of Eighty Tons and upwards, shall have on board thereof, at the time of clearing out from any Port of the United Kingdom, One Apprentice or more, in the following Proportions to the Number of Tons of his Ship's Admeasurement, according to the Certificate of Registry: that is to say, every Ship of Eighty Tons and under Two hundred Tons shall have One Apprentice at the least, every Ship of Two hundred Tons and under Four hundred Tons shall have Two Apprentices at the least, every Ship of Four hundred Tons and under Five hundred Tons shall have Three Apprentices at the least, every Ship of Five hundred Tons and under Seven hundred Tons shall have Four Apprentices at the least, and every Ship of Seven hundred Tons and upwards shall have Five Apprentices at the least, all of whom at the Period of their being bound respectively shall have been under Seventeen Years of Age, and shall have been duly bound for the Term of Four Years at the least; and if any such Master shall neglect to have on board his Ship the Number of Apprentices as hereby required, he shall for every such Offence forfeit and pay the

Sum of Ten Pounds in respect of each Apprentice so deficient.

XXXII. And be it further enacted, That no Apprentice bound or assigned pursuant to this Act, nor any Master or Owner in respect of any such Apprentice, shall be liable to the Payment of any Contribution towards the Support of any Hospital or Institution.

XXXIII. And be it further enacted, That the said Registrar in *London*, and the Collector and Comptroller of the Customs at each other Port shall, in a Book to be kept for that Purpose, cause to be entered from Time to Time all such Indentures and Assignments of Parish Apprentices as aforesaid, specifying therein the Dates thereof, the Names and Ages of the Apprentices, the Parishes or Places from whence sent, the Names and Residences of the Masters to whom bound or assigned, and the Names, Ports, and Burthen of the respective Ships to which such Masters belong, and shall make and subscribe on each Indenture or Assignment respectively an Indorsement purporting that the same hath been duly registered pursuant to this Act; and every such Collector and Comptroller shall also at the End of each Quarter of the Year transmit a List of the Indentures and Assignments so registered by him within the preceding Quarter, containing all the Particulars aforesaid, to the said Registrar, for the Purposes of this Act.

XXXIV. And be it further enacted, That in every Case of a Person voluntarily binding himself Apprentice to the Sea Service, the Indentures to be executed on such Occasions shall be registered in a Book to be kept for that Purpose by the said Registrar in *London*, and by the Collector and Comptroller of the Customs at each other Port at which the Indenture shall be executed, in which Book shall be expressed the Dates of the several Indentures, the Names and Ages of the Apprentices, the Names and Residence of their Masters, and (if known) the Names, Port, and Burthen of the several Ships on board which they are respectively to serve; and such Registrar and Collector or Comptroller respectively shall indorse and subscribe upon each Indenture a Certificate purporting that the same hath been duly registered pursuant to this Act, and the said Collector and Comptroller shall also, at the End of each Quarter of the Year, transmit a List of the Indentures so registered by them within the preceding Quarter, containing all the Particulars aforesaid, to the said Registrar, for the Purposes of this Act; and that it shall be lawful for the Master, or in case of his Death, his Executor or Administrator, with the Consent of the Apprentice, if of the Age of Seventeen Years or upwards, and if under that Age, with the Consent of his Parent or Guardian, to assign or transfer the Indenture of any such Apprentice to any other Person who may be the Master or Owner of any registered Ship; and all such voluntary Apprentices may during the Term for which they shall be bound, be employed in any Ship of which the Master of any such Apprentice may be the Master or Owner: Provided always, that every such Assignment shall be registered and indorsed by the said Registrar, or by the Collector or Comptroller of the Customs at the Port where the Master shall be resident, or to which his Ship shall belong, in which latter Case the said Collector or Comptroller shall notify the same to the said Registrar as is hereinbefore provided with regard to the Indenture of such Apprentice.

XXXV. And be it further enacted, That all Agreements with the Crew of a Ship made in pursuance of and in conformity with this Act, and all Indentures of Parish and voluntary Apprentices to the Sea Service, and all Counterparts and Assignments of such Indentures to be respectively executed after the passing of this Act, shall be wholly exempt from Stamp Duty.

XXXVI. And be it further enacted, That if any Master to whom any Apprentice mentioned in this Act shall be bound or assigned shall neglect to cause the Indenture or the Assignment thereof (as the Case may be) to be registered as required by this Act, or shall, after the Ship shall have cleared Outwards on the Voyage upon which such Ship may be bound, suffer his Apprentice to quit his Service (not entering into that of His Majesty), except in case of Death, Desertion, Sickness, or other unavoidable Cause, to be certified in the Log Book of the Ship, every such Master shall for every such Offence forfeit and pay the Sum of Ten Pounds.

XXXVII. And be it further enacted, That any Two or more Justices of the Peace residing at or near to any Port at which any Ship as aforesaid, having on board thereof any Sea Apprentice, shall at any Time arrive, shall have full Power and Authority to inquire into and examine, hear and determine, all Claims of Apprentices upon their Masters under their Indentures, and all Complaints of hard or ill Usage exercised by their respective Masters towards any such their Apprentices, or of Misbehaviour on the Part of any such Apprentice, and to make such Orders therein as they are empowered by Law to do in other Cases between Masters and Apprentices.

XXXVIII. And whereas by an Act passed in the Ninth Year of the Reign of His late Majesty King *George* the Fourth, for consolidating and amending the Statutes in *England* relative to Offences against the Person, a summary Jurisdiction is provided for the Punishment of Persons guilty of common Assaults and Batteries: And whereas it is expedient that the Provisions of the said Act should be extended to similar Offences committed on board Merchant Ships as herein-after provided; be it therefore further enacted, That in the Case of any Assault or Battery which shall after the Commencement of this Act be committed on board any Merchant Ship belonging to any Subject of the United Kingdom in any Place at Sea, or out of His Majesty's Dominions, it shall be lawful for any Two Justices of the Peace in any Part of His Majesty's Dominions, upon Complaint of the Party aggrieved, to hear and determine any such Complaint, and to proceed and make such Adjudication thereon as by the said Act any Two Justices are empowered to do, subject however to such Provisoes and Limitations as are contained in the said Act with respect to the Cases of Assault and Battery therein mentioned; and the Fine or Forfeiture to be imposed in any such Case shall be payable to the Merchant Seaman's Hospital or Institution at or nearest to the Port or Place where such Adjudication shall be made.

XXXIX. And be it further enacted, That no Parish or voluntary Apprentice to the Sea Service shall be at liberty to enter into the Naval Service of His Majesty during the Period of his Apprenticeship without the Consent of his Master; but if nevertheless he shall voluntarily enter on board any of His Majesty's Ships of War, and shall be allowed by his Master to continue therein, such Master, in case he shall give Notice to the Secretary of the Admiralty of his Consent to his Apprentice remaining in His Majesty's Service during the Residue of the Term of his Apprenticeship, shall, upon the Production of his Indenture, be entitled, at the Time of paying off the Ship, to receive to his own Use any Balance of Wages that may be then due and payable to any such Apprentice up to the Period of the Expiration of his Indenture.

XL. And whereas great Mischiefs have arisen from Masters of Merchant Ships leaving Seamen in Foreign Parts, who have been thus reduced to Distress, and thereby tempted to become Pirates, or otherwise misconduct themselves, and it is expedient to amend and enlarge the Law in this Behalf; be it therefore further enacted, That if any Master of a Ship belonging to any Subject of the United Kingdom shall force on Shore and leave behind, or shall otherwise wilfully and wrongfully leave behind on Shore or at Sea, in any Place in or out of His Majesty's Dominions, any Person belonging to his Crew, before the Return to or Arrival of such Ship in the United Kingdom, or before the Completion of the Voyage or Voyages for which such Person shall have been engaged, whether such Person shall have formed Part of the original Crew or not, every Person so offending shall be deemed guilty of a Misdemeanor, and shall suffer such Punishment by Fine or Imprisonment, or both, as to the Court before which he shall be convicted shall seem meet; and the said Offence may be prosecuted by Information at the Suit of the Attorney General on behalf of His Majesty, or by Indictment or other Proceeding in any Court having Criminal Jurisdiction in His Majesty's Dominions at Home or Abroad, where such Master or other Person as aforesaid shall happen to be, although the Place where the Offence may be therein averred to have been committed (which Averment is hereby required to be substantially according to the Fact) shall appear to be out of the ordinary local Jurisdiction of such Court; and such Court is hereby authorized to issue a Commission or Commissions for the Examination of any Witnesses who may be absent or out of the Jurisdiction of the Court; and at the Trial the Depositions taken under such Commission or Commissions, if such Witnesses shall be then absent, shall be received in Evidence.

XLI. And be it further enacted, That on such Master shall discharge any individual Person of His Crew, whether *British* Subject or Foreigner, at any of His Majesty's Colonies or Plantations, without the previous Sanction in Writing of the Governor, Lieutenant Governor, Secretary, or other Officer appointed in that Behalf by the Government there, or in the Absence of all such Authorities at or near to the Port or Place at which the Ship shall be then lying, then of the chief Officer of Customs of such Colony or Plantation resident at or near to such Port or Place; nor shall he discharge any such Person at any other Place Abroad without the like previous Sanction in Writing of His Majesty's Minister, Consul, or Vice-Consul there, or in the Absence of any such Functionary, then of Two respectable Merchants resident there; all which said Functionaries respectively are hereby authorized and required, and all which said Merchants are hereby authorized, in a summary Way to inquire into the Grounds of any such proposed Discharge by Examination on Oath, and thereupon to grant or refuse such Sanction according to their Discretion, having Regard to the Objects of this Act.

PORT NATAL.

Extract of a Letter from Port Elizabeth.

The brig "DOVE" is arrived from Port Natal with a cargo of five tons of Ivory and fifty tons of Hides of various sorts. Mr. B. NORDEN is returned, and speaks most favorable of Natal, far superior, in his opinion, to the Colony. He was well received by DINGAAN, the Zoola Chief, to whom he delivered a letter from the Governor; he describes the Chief as a dignified and clever person. The harbour is described as beautiful, and the entrance so good, that the "DOVE" went in and came out without any difficulty. The American Missionaries, Mr. GROUT and Dr. ADAMS, are passengers by the "DOVE." Mr. CHAMPION remains.

GOVERNMENT ADVERTISEMENT.

IN consequence of the great confusion and evil caused by the inaccuracy of some of the Land Surveyors in this Colony, and the extreme difficulty which attends the rectification of their Surveys, His Excellency the Governor has been pleased to direct that henceforth no payments for Surveys effected shall be made by the Civil Commissioners, until the Diagrams for which such payments may be due shall have been transmitted to, and approved by the Surveyor or Assistant Surveyor General, and returned to the Civil Commissioners. These Officers, respectively, will be held responsible that no unnecessary delay takes place in the transmission and examination of the Diagrams.

And whereas it is necessary for the further protection of Government, as well as Individuals, against the consequences of such inaccuracies, as well for the past as the future, His Excellency has been further pleased to direct, that no person shall hereafter practise as a Land Surveyor in this Colony, until he shall have first entered into a Bond, with two good and sufficient Sureties, in the Sum of £200 each, that he will rectify, when so directed, and without further expense to the Parties, all inaccuracies in his Surveys and Diagrams; or refund the whole of the Surveying Expenses paid to him for such erroneous Surveys and Diagrams.

And whereas it is also necessary that all the Colonial Surveyors should be placed on the same footing in regard to the qualifications required for the practice of their Profession, it is hereby directed, that all those Surveyors who were in practice prior to the formation of the Surveyor General's Department in this Colony, and who desire to continue to practise as such, in cases where Government is concerned, shall undergo examination according to the Syllabus and Form established in that Department.

ACT OF PARLIAMENT, 5th & 6th WILLIAM 4th, Cap. 19,—dated 30th July 1835.

(Concluded from last Gazette.)

XLII. And be it further enacted, That no such Master shall be at liberty to leave behind at any Place Abroad, either on Shore or at Sea, any Person of his Crew as aforesaid, on the Plea of such Person not being in a Condition to proceed on the Voyage, or having deserted from the Ship, or otherwise disappeared, unless upon a previous Certificate in Writing of one of such Functionaries or Merchants as aforesaid, if there be any such at or within a reasonable Distance from the Place where the Ship shall then be, if there be Time to procure the same, certifying that such Person is not in such Condition, or has deserted or disappeared, and cannot be brought back: and all such Functionaries as aforesaid are hereby authorized and required, on the Application of any such Master, to inquire by Examination on Oath into the Circumstances, and to give or refuse such Certificate according to the Result of such Examination.

XLIII. And be it further enacted, That if any such Master shall leave behind any One of his Crew as aforesaid contrary to this Act, in any Indictment or Proceeding the Proof of his having obtained such Sanction or Certificate as aforesaid shall be upon him, it being the Intention hereof that, except in the Case of entering into His Majesty's Naval Service, no Person of the Crew shall be discharged, either with or without his Consent, in any Place Abroad where such Functionary can be found, unless he shall have given such Sanction thereto.

XLIV. And be it further enacted, That every such Master who shall leave any Person of his Crew as aforesaid on Shore at any Place Abroad, under a Certificate of his not being in a Condition to proceed on the Voyage, shall deliver to One of the said Functionaries, or if there be none such, to any Two respectable Merchants there, or if there be but One, then to such One Merchant, a just and true Account of the Wages due to such Person, and pay the same to the Seaman, either in Money or by a Bill drawn upon the Owner of his Ship; and if by Bill, then such Functionary or Merchant, according to the Case, is hereby authorized and required by Certificate indorsed on such Bill to testify that the same is drawn according to this Act for Money due on account of Wages of a Seaman, or to that Effect; and any such Master who shall deliver a false Account, or refuse or neglect to deliver a just and true Account of the Wages due to such Person, and to pay the Amount thereof in Money or by Bill as aforesaid, shall for every such Offence forfeit and pay, in addition to the Wages due, the penal Sum of Twenty-five Pounds.

XLV. Provided always, and be it further enacted, That nothing in this Act or in any Agreement contained shall be deemed to extend to prevent any Seaman or Person belonging to any Merchant Ship whatever from entering or being received into the Naval Service of His Majesty, nor shall any such Entry be deemed a Desertion from the Merchant Ship, nor incur any Penalty or Forfeiture whatever, either of Wages, Clothes, or Effects, or other Matter or Thing, notwithstanding any Agreement made to the contrary hereof; and all Masters and Owners of Ships are strictly prohibited from introducing into any Ship's Articles or Agreement with the Crew any Clause or Matter by which any Penalty or Forfeiture of any Kind is agreed to be incurred by a Seaman upon his Entry into His Majesty's Service.

XLVI. And be it further enacted, That when any Seaman shall quit a Merchant Ship in order to enter into His Majesty's Naval Service, and shall thereupon be actually received into such Service, not having previously committed any Act amounting to and treated by the Master as a total Desertion, he shall be entitled immediately upon such Entry to the Delivery up of all his Clothes and Effects on board such Merchant Ship, and (in case the Ship shall have earned Freight) to receive from the Master the Payment of the proportionate Amount of his Wages up to the Period of such Entry, either in Money or by a Bill on the Owner thereof; all which Clothes, Effects, Money, and Bill such Master is hereby required to deliver up to him accordingly, under a Penalty of Twenty-five Pounds for any Refusal or neglect, to be recovered, with full Costs of Suit, by such Seaman: Provided always, that if no Freight shall have been earned at the Time of such Entry, then the Master shall and he is hereby required to give the Seaman so entering a Bill upon the Owner for his Wages to the Period of such Entry, payable on the Ship's safe Arrival at her destined Port; but in case the Master shall have no Means of ascertaining the Balance justly due, he shall make out and deliver to such Seaman a Certificate of the Period of his Services and the Rate of Wages he is entitled to, producing at the same Time to the Commanding or other Officer of His Majesty's Ship the Agreement entered into with the Seaman for the Voyage; and every such Master, upon the Delivery up of such Clothes and Effects and the Settlement of such Wages in manner herein mentioned, shall be entitled to receive from the Officer in Command of the Ship of His Majesty into which such Seaman shall have entered a Certificate signed by the said Officer, which such Officer is hereby required to give upon the Request of the Master, testifying that such Seaman has entered into such Ship of His Majesty to serve, as Proof that the Master had not parted with the Seaman contrary to the Provisions of this Act.

XLVII. And be it further enacted, That in all Cases where any Master shall have forced on Shore or left behind any Person against the Provisions of this Act, and such Person shall

XLIX. And be it also enacted, That during the Ship's Stay at such Foreign Port, no Seaman shall be shipped by any such Master except with the Privity of such Consul or Vice-Consul, to be indorsed or certified on the Agreement, under a Penalty of Twenty-five Pounds, to be forfeited by any such Master for every Seaman who shall be shipped in Breach of this Act.

L. And be it further enacted, That the Master of every Ship belonging to any Subject of His Majesty as aforesaid, shall, and he is hereby required to produce and show the Muster Roll of the Ship and the Agreement with his Crew to the Captain, Commander, or other Commissioned Officer of any of His Majesty's Ships requiring a Production and Sight thereof; and that it shall be lawful for any such Officer in His Majesty's Naval Service, if he shall think it necessary so to do, to muster the Crew and Passengers (if any) of any Ship belonging to any Subject as aforesaid, in order to be satisfied that the Provisions of this Act and of any other Act by which the Crews of Merchant Ships are regulated, and the Laws relating to Navigation with respect to the Crews of Merchant Ships, have been duly complied with; and if any such Master shall, upon being required so to do by any such Officer, neglect or refuse to produce such Muster Roll or such Agreement, or shall obstruct any such Officer in the Execution of his Duty in mustering the said Crew or Passengers, or shall produce any false Muster Roll, he shall for every such Offence forfeit and pay the Sum of Twenty-five Pounds.

LI. And be it further enacted, That for the better carrying into effect the Purposes of this Act, it shall be lawful for the said Registrar and his Assistants, and also for the respective Collectors or other chief Officers of the Customs, at the several Ports of the United Kingdom and of the *British* Possessions Abroad, to demand from the Master of every Ship hereby required to enter into an Agreement with his Crew, the Production of the Muster Roll of the Ship and also of such Agreement, with Liberty to take a Copy of either or both, and to muster the Crew and Apprentices of such Ship, for the Purpose of ascertaining whether the Provisions of this Act and of the Laws relating to Navigation have been complied with; and if any such Master, on such Demand being made, shall refuse or neglect to produce such Muster Roll or Agreement, or shall refuse to allow a Copy of either Document to be taken, or shall refuse to permit or shall prevent his Crew and Apprentices from being so mustered, he shall for every such Neglect, Refusal, or Offence forfeit and pay the Sum of Fifty Pounds.

LII. And to avoid Doubts in the Construction of this Act, be it further enacted, That every Person having the Charge or Command of any Ship belonging to any Subject of the United Kingdom shall, within the Meaning and for the Purposes of this Act, be deemed and taken to be the Master of such Ship; and that every Person (Apprentices excepted) who shall be employed or engaged to serve in any Capacity on board the same, shall in like Manner be deemed and taken to be a Seaman within the Meaning and for the Purposes of this Act, and that the Term "Ship," as used in this Act, shall be taken and understood to comprehend every Description of Vessel navigating on the Sea, and that the Term "Owner," as applied to a Ship, shall be understood to comprehend all the several Persons, if more than One, to whom the Ship shall belong; and that all Steam and other Vessels employed in carrying Passengers or Goods shall be deemed Trading Ship within the Meaning and for the Purposes of this Act.

XXVII. And whereas it is expedient that a summary Power of punishing Persons for Common Assaults and Batteries should be provided under the Limitations herein-after mentioned; be it therefore enacted, That where any Person shall unlawfully assault or beat any other Person, it shall be lawful for Two Justices of the Peace, upon Complaint of the Party aggrieved, to hear and determine such Offence, and the Offender, upon Conviction thereof before them, shall forfeit and pay such Fine as shall appear to them to be meet, not exceeding, together with Costs (if ordered,) the Sum of Five Pounds, which Fine shall be paid to some one of the Overseers of the Poor, or to some other Officer of the Parish, Township, or Place in which the Offence shall have been committed, to be by such Overseer or Officer paid over to the Use of the general Rate of the County, Riding, or Division in which such Parish, Township, or Place shall be situate, whether the same shall or shall not contribute to such general Rate; and the Evidence of any Inhabitant of the County, Riding, or Division shall be admitted in Proof of the Offence, notwithstanding such Application of the Fine incurred thereby; and if such Fine as shall be awarded by the said Justices, together with the Costs (if ordered,) shall not be paid, either immediately after the Conviction, or within such Period as the said Justices shall at the Time of the Conviction appoint, it shall be lawful for them to commit the Offender to the Common Gaol or House of Correction, there to be imprisoned for any Term not exceeding Two Calendar Months, unless such Fine and Costs be sooner paid; but if the Justices, upon the Hearing of any such Case of Assault or Battery, shall deem the Offence not to be proved, or shall find the Assault or Battery to have been justified, or so trifling as not to merit any Punishment, and shall accordingly dismiss the Complaint, they shall forthwith make out a Certificate under their Hands, stating the Fact of such Dismissal, and shall deliver such Certificate to the Party against whom the Complaint was preferred.

XXVIII. And be it enacted, That if any Person against whom any such Complaint shall have been preferred for any Common Assault or Battery, shall have obtained such Certificate as aforesaid, or having been convicted shall have paid the whole Amount adjudged to be paid under such Conviction, or shall have suffered the Imprisonment awarded for Non-payment thereof, in every such Case he shall be released from all further or other Proceedings, Civil or Criminal, for the same Cause.

XXIX. Provided always, and be it enacted, That in case the Justices shall find the Assault or Battery complained of to have been accompanied by any Attempt to commit Felony, or shall be of Opinion that the same is, from any other Circumstance, a fit Subject for a Prosecution by Indictment, they shall abstain from any Adjudication thereupon, and shall deal with the Case in all respects in the same Manner as they would have done before the passing of this Act: Provided also, that nothing herein contained shall authorize any Justices of the Peace to hear and determine any Case of Assault or Battery in which any Question shall arise as to the Title to any Lands, Tenements, or Hereditaments, or any Interest therein or accruing therefrom, or as to any Bankruptcy or Insolvency, or any Execution under the Process of any Court of Justice.

XXXIII. And for the more effectual Prosecution of Offences punishable upon summary Conviction by virtue of this Act, be it enacted, That where any Person shall be charged on the Oath of a credible Witness before any Justice of the Peace with any such Offence, the Justice may summon the Person charged to appear before any Two Justices of the Peace at a Time and Place to be named in such Summons, and if he shall not appear accordingly, then (upon Proof of the due Service of the Summons upon such Person by delivering the same to him) the Justices may either proceed to hear and determine the Case *ex parte*, or may issue their Warrant for apprehending such Person and bringing him before them; or the Justice before whom the Charge shall be made may (if he shall so think fit) issue such Warrant in the first Instance, without any previous Summons.

XXXIV. Provided always, and be it enacted, That the Prosecution for every Offence punishable on summary Conviction by virtue of this Act shall be commenced within Three Calendar Months after the Commission of the Offence, and not otherwise.

XXXV. And be it enacted, That the Justices before whom any Person shall be summarily convicted of any Offence against this Act may cause the Conviction to be drawn up in the following Form of Words, or in any other Form of Words to the same Effect, as the Case shall require; (that is to say,)

DRAFT
OF A PRIVATE ORDINANCE

Proposed by the Hon. ANTHONY OLIPHANT, *Esq., to the Governor of the Cape of Good Hope and the Legislative Council thereof*:—

For explaining and extending the Powers of the Trustees appointed for the Management of a Mercantile Establishment at Port Beaufort, situate at the Mouth of the Breede River, under and by virtue of a Grant dated 31st January 1831, of His Excellency General the Hon. Sir G. LOWRY COLE, Governor of this Colony.

Preamble, and Recital of Grant.

WHEREAS several Persons being desirous of forming a Mercantile Establishment at Port Beaufort, situate at the mouth of the Breede River, have built by Subscription at that place a Store or Warehouse: And whereas upon the 31st day of January 1831, His Excellency General the Honorable Sir G. Lowry Cole, then Governor of this Colony, was pleased to grant in freehold unto Messrs. Ewan Christian, Joseph Barry, and Francis Collison, as Trustees for the management of a Mercantile Warehouse for themselves and the Subscribers thereto, a piece of Land situate at the mouth of the Breede River, for the purpose of maintaining thereupon a Warehouse on the following Conditions, to wit:—That the right of access over this ground to Port Beaufort and to the Subscription Store, and to any Public Passage which is or may hereafter be established over the Breede River, as well as of unyoking Cattle on such unoccupied land as shall be fixed upon for that purpose shall be secured to the Public. That the part adjoining the River in front of the said Store shall neither be cultivated or built upon. And with full powers and authority to them or to the Trustees to be from time to time chosen by the Subscribers to the said Grant, to possess said piece of land for the above purpose, and such further purposes as to a majority of a Meeting of Subscribers to be called for the purpose by public Advertisement may appear to them most for the general interest. And for the greater security and convenience of the several Shareholders to authorise and direct the Trustees to grant a Certificate to each holder of a Share, which Certificate will be transferable by Endorsement, and the property in the said land, as also a Share of the said Buildings and the remaining unappropriated land thereby vested in the said Endorsee, provided such Endorsement be first registered in the Office of the Registrar of Deeds, and that the usual duties of transfer be previously paid thereon. The land granted being further subject to such duties and regulations as are either already or may in future be established with regard to such Law.

Subscribers may become Shareholders upon application to Trustees, and payment of proportion of Expenses.

And whereas doubts have arisen as to the nature and extent of the powers to be exercised by the said Trustees under and by virtue of the said Grant: and whereas the said Trustees have made application that an Ordinance be passed to explain more fully the objects of the said Grant, and to give further and more ample powers to the said Trustees, and to provide for carrying the same into effect. Be it therefore enacted by His Excellency the Governor of the Cape of Good Hope with the Advice and Consent of the Legislative Council thereof, that from and after the passing of this Ordinance, it shall and may be lawful for the said Subscribers, their Heirs, and Assigns, to become Shareholders of the said Mercantile Establishment and Land in the said Grant contained according to the number of Shares for which such persons respectively shall have subscribed, and to make application to the Trustees for that purpose: Provided, however, that if any such Subscriber shall have failed to signify his desire to become such Shareholder, and shall have failed to pay his proportion according to his number of Shares, of the expenses which have been already incurred, or which shall be incurred in obtaining the said Grant and in securing to such Subscriber his Share or Shares therein at the expiration of one year after the passing of this Ordinance, such Subscriber shall forfeit all claim to become such Shareholder.

After expiration of one year Trustees may sell Shares not paid for.

II. And be it further enacted, That it shall and may be lawful for the said Trustees to dispose of such Shares as shall, after the expiration of one year after the passing of this Ordinance, not have been paid for by any Subscriber to such Persons as shall apply for the same, and on such terms as to the said Trustees shall appear expedient, and such Persons shall in such case enjoy the same privileges under the said Grant as the original Subscribers.

Trustees may mark off Land for Roads.

III. And be it further enacted, That it shall and may be lawful for the Trustees to mark off so much of the Land in the said Grant contained, and in such direction as they shall deem fit and expedient, for a road or roads from any part of the said Land to any other part thereof, provided that if such Land so marked off shall form part of the Erf of any Shareholder in manner hereinafter provided to be allotted, such reasonable satisfaction shall be given for the damage which such Shareholder shall thereby sustain as shall be agreed upon between the Trustees and such Shareholder, and if the said Trustees and such Shareholder cannot agree concerning the amount of such damages, then the same shall be finally assessed, determined, settled, and adjusted by arbitration in manner provided by the Twentieth Section of this Ordinance.

Erven, how to be allotted.

V. And be it further enacted, That at such Meeting or adjourned Meeting after such plan shall have been ratified, so many Erven as there shall be Subscribers, who shall have signified their desire to become Shareholders, and who shall have paid each his proportion of the expenses then incurred, shall be allotted among such Subscribers of each of which Erven the choice shall be determined by Ballot, provided that the Partners belonging to the Firm of Robertson, Venning, and Moodie, and Joseph Barry, shall respectively be entitled to select for their Erven the Land upon which they have respectively built Stores, upon condition, however, that the said Firm of Robertson, Venning, and Moodie, and Joseph Barry, in consideration of such preference, shall pay a Fine, the amount of which shall be fixed by the decision of two indifferent Persons, one to be chosen by the said Trustees, and the other by the said Robertson, Venning, and Moodie, and the said Joseph Barry, respectively.

(From the *London Mercantile Journal.*)

The dispute between France and the United States relative to the indemnification money, has secured great attention, and news have been looked for from the United States. On Wednesday there were five Packets due from New York. On Friday we had news from that part of the world; but the intelligence communicated does not convey any information relative to the point in dispute. It is reported that England has offered her mediation between the contending parties, and that there is every probability that such mediation will very much facilitate an amicable adjustment.—*Nov.* 24.

Nothing satisfactory or decisive is further known of the ultimate issue of the indemnification money question between France and the United States. Interpretations have been put upon the equipment of different vessels in different stations, but at present all is surmise, as to whether it will terminate in an open rupture or not.—*Dec.* 2.

THE Superintendent of Waterworks has reported the following quantities of Water in the Town Reservoir, since the dates of the admeasurements published in the Gazette of the 19th ultimo.

22d February, 139,136 Gallons,
29th, ,, 133,900 ,,

This last shows a decrease of 8,948 Gallons beyond the nearest approximating date (2d March) of 1835; and as the quantity continues to diminish, it will probably become necessary to reduce the daily supply to the Public Fountains, and to close for a time all the Waterleadings upon Private Premises.

FREDERICK VAN REENEN, JACOB'S SON,
SHAMBLES, No. 10,

BEGS to inform the Captains and Masters of the respective Vessels in Table Bay, that he will undertake to supply them with extra fat Beef and Mutton at the low price of One Skilling (2½d) the Two Pounds, as also, prime Salted Beef at the lowest possible price. Sheep at 4 Rds. per head.

The reason why the above low prices are thus fixed, is simply this: because the Captains of Ships will then come personally to the Shambles to deal, and to settle their respective Accounts, and will consequently save the enormous expenses occasioned by the percentages of several Agents, their Clerks, and Boatmen, which system ought to have been abolished long before, to give both parties an opportunity of transacting business to their own profit.

N.B. Shipping supplied with all kind of Provisions, with strictness and despatch, at the lowest prices.

FIVE RIX-DOLLARS REWARD

WILL be given to any Person who will lodge my Apprentice Servant *Henry Young*, alias *Belmore*, in Prison, or deliver him safely to me. He absconded without cause on Tuesday, the 16th February, and has since been frequently seen in Cape Town, is 13 years of age, light brown hair, grey eyes, and freckled face; had on a straw hat, with broad black band, colored waistcoat, drab Moleskin Trowsers, with 3 red stripes on the braces.

The Undersigned has but little hopes of recovering him through the medium of this Advertisement, and with many others who are similarly situated, some with two or three Servants away, have to deplore the want of proper Laws to check the rapidly increasing evils of vagrancy. The above is otherwise a very good Servant, but seeing daily instances of Boys running away without fear of detection, has for the sake of a holiday followed the example, and must, consequently, by this time, be in a rapid state of demoralization.

The demand continued brisker than the supply.

DRAFT
OF A PRIVATE ORDINANCE

To be proposed by The Hon. John Bardwell Ebden, *to the Governor of the Cape of Good Hope, by and with the advice and consent of the Legislative Council thereof:—*

For Establishing and Regulating a Joint Stock Bank within this Colony, to be called

"THE CAPE OF GOOD HOPE BANK."

WHEREAS several Persons have proposed and agreed to form a Joint Stock Banking Company at Cape Town, under the Style or Firm of "The Cape of Good Hope Bank," and agreed to raise a Joint Stock or Capital of £75,000 Sterling, in 1,500 Shares of £50 each; and whereas the said Persons have made application that an Ordinance may be passed to provide for establishing and carrying on the same; and whereas the Establishment of a Joint Stock Bank, on sound principles, would tend greatly to promote the Interests of this Colony:—

£15,000 may be raised in Shares of £50 each.

Now, therefore, be it enacted by His Excellency the Governor of the Cape of Good Hope, with the advice and consent of the Legislative Council thereof, That it shall and may be lawful for the Persons who have already agreed to take Shares in the said Company, and whose names are set forth in the Schedule hereunto annexed, marked A, and all such as shall by virtue of any of the Provisions of this Ordinance, hereafter agree to take Shares therein, to raise amongst themselves a Joint Stock or Capital Sum of £75,000, in 1,500 several Shares of £50 each.

Shareholders to be Joint Stock Proprietors in the Capital Stock.

II. And be it further enacted, That the said Persons who have already subscribed, and those who shall in manner hereinafter provided subscribe for the aforesaid 1,500 Shares, and such Persons as shall hereafter become parties thereto by purchase or otherwise from the original parties hereunto have acquired the right to any such Share, shall be, remain, and continue Co-Partners and Joint Stock Proprietors of, and in the aforesaid Capital Stock of £75,000, or of so much thereof as shall actually be paid up according and in proportion to the number and amount of their several and respective Shares of £50 each, for the purpose of carrying on the Business of the said Company under the said Style of The Cape of Good Hope Bank, subject to and under the provisions of this Ordinance, and under such Rules and Regulations as shall in manner hereinafter provided be made and established.

Bank to be carried on in Cape Town.

III. And be it further enacted, That the said Bank shall be opened and the Business be carried on in some public place in Cape Town, and in such other place or places in this Colony as the Directors to be hereafter appointed may in manner hereinafter provided determine.

Shares to be Numbered.

IV. And be it further enacted, That the said 1,500 Shares shall be numbered in numerical progression, and be thereby identically distinguished.

Who may take Shares.

V. And be it further enacted, That of the said 1,500 Shares, 1,200 may be subscribed for by Persons residing in this Colony, or carrying on business therein, and the remaining 300 Shares shall be reserved for such Persons residing in Great Britain, who may make application and subscribe for the same on or before the 1st day of June 1836, provided however, that should the said 300 Shares or any of them not be subscribed for at the expiration of that time, then such unappropriated Shares shall be offered to the Subscribers in this Colony, in such manner as the Directors shall think proper, and should the whole of the said Shares not be taken by the said Subscribers, then so many as may remain unappropriated may be taken by such Persons as may be desirous to subscribe for the same; provided however, that nothing herein contained shall prevent any Person from subscribing for, or purchasing any Share or Shares in the said Bank, who shall not at the time reside in this Colony, in like manner as Persons who reside therein are or shall be entitled so to do.

£50,000 to be raised by Instalments.

VI. And whereas the Sum of £50,000 is deemed sufficient for the purpose of commencing the Business of the said Bank, be it therefore enacted, That the Sum of £33:6:8 upon every Share of the said Capital Stock of £75,000, shall be paid in the proportion and manner following—that is to say, £1 at the time of subscribing for such Share, the further Sum of £19 within one month after notice that this Ordinance has been confirmed by His Majesty shall have been given in the Government Gazette of this Colony to the Subscribers by the said Directors, and the further Sum of £13:6:8 shall be paid within three months after the last-mentioned time.

Remainder of Capital Stock to be called up upon consent of Proprietors being obtained.

VII. And be it further enacted, That it shall and may be lawful for the said Directors to call upon the Proprietors for the remainder of the said Shares respectively—that is to say, £16:13:4 upon every such Share or such part thereof as they may think advisable within two months after they shall have obtained the consent thereto of a majority of the Proprietors present at a General Meeting, whether Annual or Special.

VIII. And be it further enacted, That on failure of Payment of any or either of the said Instalments or calls for the space of fourteen days after the same shall have become payable as aforesaid, it shall and may be lawful for the Directors for the time being of the said Bank, if they shall think fit, to declare, by Resolution in writing of six Directors, the Share or Shares of such Proprietor to be forfeited, and the same shall thereupon be forfeited accordingly; and it shall and may be lawful for the said Directors to dispose of such forfeited Share or Shares to any other Person who may be desirous of possessing the same, provided however, that nothing herein contained shall prevent the said Directors from bringing and maintaining their Action against any Proprietor failing to pay as aforesaid, if they shall think fit so to do instead of declaring his Share or Shares to be forfeited as aforesaid.

No Proprietor to have more than 50 Shares, except &c.

IX. And be it further enacted, That no Person shall possess or hold more than Fifty Shares in the said Capital Stock, unless the same shall have accrued to him by Marriage, or as Heir, Legatee, Executor, Administrator, or other lawful representative of a deceased Proprietor.

THE PUBLIC LIBRARY.

AT an Adjourned General Meeting of Subscribers to the Public Library, held at the Public Library, 5th March 1836.

MARTIN WEST, Esq. in the Chair.

Moved by Mr. CLERKE BURTON, seconded by Capt. DUNLEVIE, and carried unanimously,

That the Assistant Librarian be requested to attend the Meeting and act as Secretary thereof.

2d. Moved by Mr. CLERKE BURTON, seconded by Capt. DUNLEVIE, and carried unanimously,

That the Minutes of the last Meeting be read.

3d. Moved by Mr. SELBY, seconded by Mr. MARSHALL, and carried unanimously,

That it is the opinion of this Meeting that the Committee of Management of the Public Library has no power in itself to discharge the Librarian from his Office. That such dismissal appears to have been founded upon grounds of a frivolous nature, that the Committee has exercised an arbitrary power, in a vindictive spirit towards the Librarian, and in a discourteous manner towards the Subscribers, and that it is therefore incumbent upon this Meeting to rescind the Resolution of the Committee dated 1st of March 1836, whereby Mr. JARDINE is discharged from the Office he has hitherto held as Librarian and Secretary of the Public Library, and the same is hereby annulled and rescinded accordingly.

4th. Moved by Mr. COLLISON, and seconded by Mr. SUTHERLAND, and carried unanimously,

That the Advertisement published in the Public Papers dated 1st March 1836, and signed by the Chairman, giving notice that the Public Library will be closed from the 3d inst. until further notice, for the purpose of taking an account of the Property of the Public Library upon the discharge of Mr. A. J. JARDINE, from the Situation as Librarian, being an attempt to shut the Library for an indefinite period, was an infringement upon the rights of the Subscribers uncalled for under the circumstances of the case, and that the Resolution of the Committee, passed on the 1st March, appointing,

The Hon. H. CLOETE, Esq.
Rev. Dr. ADAMSON,
WM. GADNEY, Esq.

to be a Sub-Committee for the purpose of taking Stock, and empowering them to shut up and keep closed as long as they may see cause, the Public Library for the above purpose, be annulled, and the said Resolution is annulled and rescinded accordingly.

Moved by Mr. SELBY, seconded by Mr. WM. HAWKINS, Sen., H. E. I. C., and carried unanimously,

That a Committee of the following Subscribers, viz:—Hon. A. Oliphant, Esq.,—Hon. H. Cloete, Esq.,—Rev. Dr. Adamson,—Major Longmore,—John Reid, Esq.,—Hon. H. Ross, Esq.,

be requested to frame the Draft of an Ordinance to be submitted to a General Meeting of the Subscribers to be holden this day fortnight, in the Public Library, previously to its being submitted to his Excellency the Governor, for introduction into the Legislative Council, and that in preparing the Draft the Committee shall take care that full power and authority be given to the Committee of Management for the time being, to make any Rules and Regulations not inconsistent with the Ordinance; *provided* that no such Rule or Regulation which repeals any standing Rule or Regulation shall be valid, unless the Committee shall have previously taken the sense of the Subscribers assembled, upon due notice for that purpose in General Meeting. That an express provision be inserted for compelling the said Committee to call a General Meeting of the Subscribers upon a requisition to that effect, signed by any twenty of the Subscribers, stating the grounds of such application, and giving to any such General Meeting full power and authority to fill up any vacancies in the Committee, to make any new, approve, alter, add to, or annul any existing Rule whatsoever, and generally to transact any business which by Law is not imposed upon the Annual General Meeting.

6th,—Moved by Mr. CLERKE BURTON, seconded by Mr. HARDING, and carried unanimously.

That the Minutes of this Meeting be inserted in the Public Newspapers.

7th,—Moved by Mr. SUTHERLAND, seconded by Mr. CANNON, and carried unanimously,

That this Meeting do stand adjourned until this day fortnight, for the purpose of receiving a Report framed by the Committee for the Draft of an Ordinance.

MARTIN WEST, Chairman.

The Chairman having left the Chair, and Mr. HAWKINS, H. E. I. C. called thereto,

Moved by the Hon. H. Ross, seconded by Mr. COLLISON, and carried unanimously,

That the thanks of the Meeting be given to Mr. WEST for his able conduct in the Chair.

(A true Copy.)

A. J. JARDINE,
Librarian and Secretary.

FREDERICK VAN REENEN, JACOB'S SON, SHAMBLES, No. 10,

BEGS to inform the Captains and Masters of the respective Vessels in Table Bay, that he will undertake to supply them with extra fat Beef and Mutton at the low price of One Skilling (2½d) the Two Pounds, as also, prime Salted Beef at the lowest possible price. Sheep at 4 Rds. per head.

The reason why the above low prices are thus fixed, is simply this: because the Captains of Ships will then come personally to the Shambles to deal, and to settle their respective Accounts, and will consequently save the enormous expenses occasioned by the percentages of several Agents, their Clerks, and Boatmen, which system ought to have been abolished long before, to give both parties an opportunity of transacting business to their own profit.

N.B. Shipping supplied with all kind of Provisions, with strictness and despatch, at the lowest prices.

LOSS OF THE "JANE & HENRY."

The Schooner *Jane & Henry* sailed from Sydney on the 22d August 1835, bound for Lombock. On the 11th Sept. 1835, was running for the Barrier Reefs, or the entrance of Torres Straits, off Sir Charles Hardy's Islands, but at Noon the weather became cloudy with a fresh breeze from the eastward, so that no observation could be obtained; hauled the vessel upon a wind; at 4 P. M. fresh gales and squally, attended with dizzling rain, reefed the fore-top-sail and main-sail; at 6, weather continued the same; nothing to be seen from the mast head; at 10, standing to the southward, with fresh gales and cloudy weather, we saw breakers on the lee bow, and being very dark at the time, we were so close before we saw them that we had not room to stay, and before we could get her round on the other tack, she struck, and then fell off broadside on the reefs; she struck with such violence that we expected at every shock to see the mast go by the board; the sea making a fair breech over all, fore and aft, when she soon Bilged, with a heavy cast to starboard. We saw on the Ice side some of the points of the rock at the water edge. She having much water in the hold she lay somewhat steadier until towards morning.

At day-light the wind and sea began to increase, so we thought we had better try to get out the Long-boat, and we got one cask of water and a few bags of bread which we put in the boat, with compass, quadrant, and a few small things, before we attempted to hoist her out. As soon as she was over the side the sea broke in and almost fill d her up to the thaughts, so we were obliged to shove off as soon as possible, or be swampt alongside. In this state we were obliged to leave without having time to get anything more in the boat, and we were almost going down before we get clear of the breakers. We made best of our way through the riefs, and got to one of the small Islands, before dark, where we remainsd for the night and all the next day. We then put into Escape River, where we got water by digging in the sand. At high-water mark we got clear of the Straits, on the 17th; and made the best of our way for Timore, where we arrived on the 31st, all healthy, but much reduced for want of provisions and water. We went a-long-side the barque "Clarence," Capt. Lindsey, who took us on board and treated us very kindly.

The ship "Mangles," Capt. Carr, called here on her way to the Westward, and he hoisted in our Boat, and gave me and the remainder of the crew a Passage, as far as Lombock. We then proceeded in our boat to Sourabaya, where we arrived on the 15th Oct. 1835.

The Current sets in to the S. W. at the rate of 2½ per hour, on the Reef the Vessel was on.

THE "CHARLES EATON."

[We are indebted to Capt. CODERN, late of the "Jane and Henry," for the following particulars respecting the loss of the "Charles Eaton:"—]

The ship "Mangles," Capt. Carr, from Hobart Town on her way to the Northward, called at Murray Island in Torres Straits, and during her short stay there, a great number of Canoes came alongside to trade, &c. Capt. Carr saw at a distance a white man in one of the Canoes, and sent a boat well manned and armed to take him out of the Canoe and bring him on board; but as soon as the boat came near the Canoe, he said he would not go on board; that he was one of the "Charles Eaton's" Crew, and that there were more of them on the Island. The Canoe then pulled as fast as possible towards the shore, without the man giving any more information. Several Natives were seen on the shore; one holding a white child in his arms.

In December last five Seamen arrived at Batavia from Timor, who were cast away in the "Charles Eaton," on the 15th of Aug. 1834, at 8 A.M., on the Barrier Reef, off Sir Charles Hardy's Island. They state, as the ship was running for one of the openings in the Reefs, they got so near before they saw rocks in the middle of the passage that they could not extricate themselves. They let go both anchors but found no bottom, with the whole chain, and as soon as the vessel struck all went by the board; and the ship was broken up almost immediately. The Long-boat was stove in on deck before they could get her out.—The five men consist of George Picket, 3d mate, Lamence Constant, Carpenter, and 3 Seamen. They escaped in one of the Quarter boats and got to Timor, where they remained 13 months.

DE PUBLIEKE BIBLIOTHEEK.

BY eene geadjourneerde Algemeene Byeenkomst van de Inschryvers voor de Publieke Bibliotheek, gehouden op den 9den Maart 1836.

De Hr. MARTIN WEST, Voorzitter.

1. Voorgesteld door den Hr. Clerke Burton, gesecondeerd door Kapt. Dunlevie, en eenstemmig aangenomen, dat de Assistent Bibliothecaris worde verzocht de Byeenkomst by te wonen, en te fungeren als Secretaris daarvan.

2. Voorgesteld door den Hr. Clerke Burton, en gesecondeerd door Kapt. Dunlevie, en eenstemmig aangenomen, dat de minuten der laatste Byeenkomst worden gelezen.

3. Voorgesteld door den Hr. Selby, en gesecondeerd door den Hr. Marshall, en eenstemmig aangenomen, dat deze Byeenkomst van gevoelen is, dat het Committee van Bestuur van de Publieke Bibliotheek, geen vermogen uit zich zelf heeft, om den Bibliothecaris van zym ambt te ontslaan. Dat zulke demissie schynt te steunen op gronden van eenen nietigen aard; dat het Committee een arbitraire vermogen heeft uitgeoeffend, in eenen wraakgierigen geest jegens den Bibliothecaris, en op eene onbescheidene wyze jegens de Inschryvers, en dat het dus de pligt dezer Byeenkomst is, de resolutie van het Committee te herroepen, gedateerd 1 Maart 1836, waarby de Hr. Jardine is afgezet van het ambt dat hy tot nu toe bekleed heeft, als Bibliothecaris en Secretaris van de Bibliotheek, en dezelve wordt by deze herroepen.

4. Voorgesteld door den Hr. Collison, en gesecondeerd door den Hr. Sutherland, dat de advertentie gepubliceerd in de Publieke Couranten, en gedateerd 1 Maart 1836, en geteekend door den Voorzitter, dat de Publieke Bibliotheek zal worden gesloten van den 3den Maart, tot verdere kennisgeving, om het eigendom van de Bibliotheek op te nemen by de afzetting van den Hr. A J. Jardine, als Bibliothecaris, eene poging zynde om de Bibliotheek voor eenen onbepaalden tyd te sluiten, eene inbreuk was op de regten der Inschryvers, ongeroepen onder de tegenwoordige omstandigheden der zaak, en dat de resolutie van het Committee, gepasseerd op den 1sten Maart, benoemende

Den Ed. Hr. H Cloete,
Wel-Eerw. Dr. Adamson,
Hr. Gadney

tot zoodanige Commissie, om den voorraad op te nemen, en hen authoriserende, zoo lang als zy noodig vinden, de Bibliotheek te sluiten, en gesloten te houden, tot het bovenstaande einde, worde vernietigd, en de gez. resolutie wordt by deze herroepen en vernietigd.

Voorgesteld door den Hr. Selby en gesecondeerd door den Hr. W. Hawkins, E. O. I. C. en eenstemmig aangenomen, dat eene Commissie, bestaande uit de volgende Inschryvers

Ed. Hr. A. Oliphant,
H. Cloete,
Eerw. Dr. Adamson,
Majoor Longmore,
Den Hr. John Reid,
Ed Hr. Hamilton Ross,

worden verzocht het ontwerp te beramen van eene Ordonnatie, om te worden gesubmitteerd aan eene algemeene Byeenkomst der Inschryvers, welke zal worden gehouden op heden over veertien dagen, in de publieke Bibliotheek, voor dezelve zal worden gesubmitteerd aan zyne Excellentie den Gouverneur, ter invoering in den Wetgevenden Raad; en dat de Commissie zal zorgen dat in het bereiden van het ontwerp van de Ordonnantie zorg zal worden gedragen, dat aan het Committee van Bestuur in der tyd volle gezag worde gelaten om alle Regelementen te maken, niet strydig met de Ordonnantie, wel verstaan, dat zoodanige Regelementen geen bestaande Regelement herroepen, ten zy het Committee vooraf het gevoelen zal hebben ingewonnen van de Inschryvers by eene publieke Byeenkomst, na behoorlyke kennisgeving daarvan gehouden. Dat eene expresse clausule worde ingevoegd om het gez. Committee te noodzaken eene Algemeene Byeenkomst der Inschryvers te beroepen, op eene schriftelyke requisitie geteekend door twintig der Inschryvers, meldende de gronden van zoodanig aanzoek, en gevende aan zulke algemeene Byeenkomst de magt en het gezag, om alle vacatures in het Committee aan te vullen, om alle nieuwe Regelementen te maken, en de bestaanden goed te keuren, te veranderen, by te voegen, of te vernietigen, en algemeen alle bezigheden te verrigten, welke niet by de wet aan de algemeene Jaarlykse Byeenkomst opgelegd zyn.

6. Voorgesteld door den Hr. Clerke Burton, gesecondeerd door den Hr. Harding, en eenstemmig aangenomen, dat de minuten dezer byeenkomst in de publieke Couranten zullen worden gepubliceerd.

7. Voorgesteld door den Hr. Sutherland en gesecondeerd door den Hr. Cannon, en eenstemmig aangenomen, dat deze Byeenkomst worde geadjourneerd tot heden over veertien dagen, om het verslag te ontvangen van de Commissie voor het ontwerpen eener Ordonnantie.

MARTIN WEST, Voorzitter:

De Voorzitter de stoel hebbende verlaten, en de Heer Hawkins, E. O. I. C. D., verzocht zynde dezelve te aanvaarden, werd

Voorgesteld door den Ed. H Ross, gesecondeerd door den Hr. Collison, en eenstemmig aangenomen, dat de dank dezer Byeenkomst worde betuigd aan den Hr. West voor zyn bekwaam gedrag als Voorzitter.

Voor Copy Conform,

Bibliothecaris en Secretaris.

BERIGT AAN SCHEEPS KAPITEINS.

DE Ondergeteekende offereert om de Scheeps Kapiteins in de Tafelbaai te voorzien, met Vet Ossen en Schapenvleesch, 2 ponden voor 1 Schelling; alsmede goed Gezouten Beestenvleesch en levend Vee tegen de billykste pryzen, Schapen tegen 4 Rds. per stuk, mits dat de betaling der Rekeningen by het vertrek der Schepen direct aan hem gedaan worde. en hetwelk de Scheeps Kapiteins vinden zullen, dat het tot hun voordeel sterkt, daar de enorme Percenten, die aan eenige Agenten, Agents Klerken en Schuitenvoerders afgaan, veroorzaken dat de pryzen zich daardoor verhoogen, zonder voordeel voor den Kooper of Verkooper.

Ik hoop dat de Heeren Kapiteins zich willen begeven naar de Hal, alwaar zy alles ten goedkoopsten vinden zullen, indien zy zelfs komen om te handelen.

ONIONS.—These useful culinary Vegetables are always in brisk demand here for *Sea-stock*, as well as for Home-consumption; and were they grown to a greater extent, there can be no doubt that the farmer would obtain remunerating prices. So also with POTATOES. From 2000 to 3000 muids would be taken every year by the Shipping which visit our ports, if care were taken in the growth to produce a large dry Potato, and were the price kept steady throughout the year at about 3s. to 3s. 6d. per cwt.; or, say Rds. 3½ to 4½ per muid. Lowering the price of an article in general use, greatly increases the demand, by bringing in all the poorer consumers.

NOTICE TO CAPTAINS OF SHIPS.

THE Undersigned offers to supply Captains of Ships anchoring in TABLE BAY, with fat *Beef* and *Mutton*, at *One Skilling* or 2½*d. per* 2 *lbs.*; also, good Salt Beef, and Live Sheep, on the most reasonable terms, Sheep at 4 Rds. each; provided payment of the Bills, on the departure of the Vessels, be made direct to him; which Captains will find greatly to their advantage, as the enormous percentage demanded by some Agents, Agents' Clerks, and Shippers, occasions the price to be much higher, without any advantage to either the Seller or Purchaser.

THE ISLAND OF ST. HELENA.

On General MIDDLEMORE assuming the Government of St. Helena, the following Proclamations were issued respecting the Commerce of that little Island. It appears that the *Cape of Good Hope* is ranked with "Foreign Europe and America," and an impost of Ten per cent. placed upon our *Dried Fruits*. This is not very encouraging to the Cape Grower. The effect of the new regulations respecting Shipping visiting that open Roadstead, will probably be to induce a greater number of vessels to touch at the Cape homeward bound.

HET EILAND ST. HELENA.

BY de opvolging van Generaal MIDDLEMORE, in het Gouvernement van St. Helena, zyn de volgende Proclamatien uitgevaardigd betrekking hebbende tot den Handel van dat Klein Eiland. Het blykt dat de Kaap de Goede Hoop gerangschikt is onder "Uitheemsch Europa en Amerika," en een impost van Tien percent geheven is, op onze "Gedroogde Vruchten."

Zulks is niet zeer aanmoedigend voor den Kaapschen Landman. Het gevolg van de nieuwe Regulatie, betrekking hebbende tot de Scheepsvaart, bezoekende die Openrede, zal gevolgelyk aanleiding geven dat er een grooter aantal Vaartuigen, thuiswaards gaande, de Kaap zullen aandoen.

THE CAPE OF GOOD HOPE
Government Gazette.

FRIDAY, APRIL 8, 1836.

PROCLAMATION

BY HIS EXCELLENCY MAJOR GENERAL
Sir BENJAMIN D'URBAN,

Knight Commander of the Most Honorable Military Order of the Bath, of the Royal Guelphic Order of Hanover, and of the Royal Portuguese Military Order of the Tower and Sword, Colonel of His Majesty's 51st Regiment of Foot, Governor and Commander-in-Chief of His Majesty's Castle, Town, and Settlement of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Ordinary, and Vice Admiral of the same, Commanding the Forces, &c. &c. &c.

WHEREAS it had become and is expedient and necessary, for the better security of the Government, and of private persons, against the fraudulent alteration or Forgery of the Colonial Paper Currency, that other and further provision than that made by the Proclamation of His Excellency the Governor of this Colony, dated the 12th day of July 1832, should be made for the better examination of all such Notes withdrawn, and to be withdrawn from circulation, and for the Cancellation, and safe keeping thereof after Cancellation, instead of the destroying of the same by burning, I do hereby notify and proclaim, that from and after the 28th day of October 1835, I have ordered and directed, as I do for the future hereby order and direct:

1. That all Notes marked in the Bank with the words "Withdrawn from Circulation," shall, previously to the issue of any New Notes in lieu thereof, be marked in the Treasury, in black Printing Ink and with Types, in such manner as best to preserve the legibility thereof, with the word "Cancelled."

2. That the Cancellation of such Notes shall invariably take place in the presence of one or both of the persons who were appointed to sign such Notes, and whose names appear thereon,—instead of the three Government Officers hereto appointed to examine Notes intended for destruction.

3. That if the presence of one at least of these parties cannot be procured, then the Notes purporting to bear their Signatures shall be submitted to any three persons to be appointed by Government, and the decision of the majority of these three persons shall be deemed conclusive as to the validity or otherwise of the Signatures.

4. That the Certificate of Cancellation shall be in the form hereunto annexed, and shall be signed by all the persons attending each Cancellation.

5. That all the Cancelled Notes labelled with the dates of Cancellation, shall be preserved as Vouchers in the Treasury, for further reference to them should such be necessary.—And the Treasurer and Accountant General shall be responsible for their safe keeping.

GOD SAVE THE KING

Given under my hand and the Public Seal of the Settlement, at Cape Town, this 31st day of March 1836.

(Signed) B. D'URBAN.

By Command of His Excellency the Governor,
(Signed) JOHN BELL,
Secretary to Government.

Certificate of Examination and Cancellation of Paper Money.

WE, the Undersigned, do hereby certify, that having this day, by the Authority of Government, duly examined certain Notes of the Paper Currency of this Colony, marked as withdrawn from Circulation, which were delivered to us by the Treasurer and Accountant General for that purpose, we severally found the same to be genuine in every respect, to the best of our knowledge and belief; and thereupon we cancelled each of the said Notes, viz.

(Circular or Oblong Stamps, or Sterling Pound Notes, as the case may be,)

No. of Pieces. Value of each Piece. Date.

To be marked in our presence, with the word "Cancelled" in Black Printing Ink, with Types, and the whole to be re-delivered to the Treasurer and Accountant General for preservation in the Treasury.

In Witness whereof, we have executed this our Certificate in quadruplicate, of which we have delivered three to the Treasurer and Accountant General, and one to the Secretary to Government.

Thus done at Cape Town, on the day of 183

(Signed)

Certificate of Registration:

I do hereby declare, that the Certificate, of which the above is a Copy, has been duly registered by me in the Colonial Office this day of 183 .

(To be signed by the Secretary to Government.)

PROCLAMATION

BY HIS EXCELLENCY MAJOR GENERAL
Sir BENJAMIN D'URBAN,

Knight Commander of the Most Honorable Military Order of the Bath, of the Royal Guelphic Order of Hanover, and of the Royal Portuguese Military Order of the Tower and Sword, Colonel of His Majesty's 51st Regiment of Foot, Governor and Commander-in-Chief of His Majesty's Castle, Town, and Settlement of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Ordinary, and Vice Admiral of the same, Commanding the Forces, &c. &c. &c.

WHEREAS the Treasurer and Accountant General of this Colony, reported that there was on the 22d day of September 1835, in his possession, a sum of Rds. 18,082 . 4 . 0 of the old Colonial Cartoon Paper Currency, consisting of Rds. 6000, being the 24th and 25th (or last) Instalments of the sum of Rds. 75,000, created by the Proclamation of the Governor and Council, bearing date the 30th day of September 1804, and known as the Stellenbosch Fire Loan;—and of Rds. 12,082 . 4 . 0, being the remaining balance of a certain Fund established by Government on the 1st day of June 1808, and called the Short Loan Fund;—and whereas it was deemed expedient that the said sum of Rds. 18,082 . 4 . 0 should be destroyed, and that no other Paper Money should be issued in lieu thereof—and whereas the said sum of Rds. 18,082 . 4 . 0 was accordingly withdrawn from circulation, and destroyed on the 5th day of October 1835, by burning, as is fully set forth in the Certificate, of which a copy is hereunto annexed: These are therefore to order and direct, that this Proclamation, together with the said annexed Certificate, shall be, to the said Treasurer and Accountant General, a full acquittance and discharge for the said sum of Rds. 18,082 . 4 . 0 with which he now stands charged to His Majesty in his public account.

GOD SAVE THE KING!

Given under my hand and the Public Seal of the Settlement, at Cape Town, this 31st day of March 1836.

Draft of an Ordinance,

Presented by the Hon'ble ANTHONY OLIPHANT, *to the Legislative Council of this Colony,*

For providing for the better and more effectual Management of the Public Library in Cape Town.

WHEREAS it is expedient to repeal the Ordinance No. 71, dated 3d February 1830, and intituled—"Ordinance of His Excellency the Governor in "Council for abolishing the Office of Trustees of the "Public Library in Cape Town, and for vesting the "management thereof in a Committee of the Subscribers "to that Institution," and to make better and more effectual provision for the management of the said Library. Be it therefore enacted by the Governor of the Cape of Good Hope, with the Advice and Consent of the Legislative Council thereof, that from and after the passing of this Ordinance, the said Ordinance No. 71, shall be and the same is hereby repealed, except in so far as the said Ordinance repealed the whole or any part of any former Law or Ordinances.

Committee elected under Provisions of Ordinance 71, to remain in the management of the Library until the election of a Committee under the Provisions of this Ordinance.

II. And whereas the said Library has been formed, augmented, and supported partly by means of a Tax formerly by Law imposed on, and paid by the Community of this Colony, but now abolished; and partly by voluntary periodical Subscriptions of certain Persons; and it is therefore fitting and expedient that the management of the said Library, and the Books, Manuscripts, Funds, and all other things now belonging, and which may hereafter accrue to and belong to the said Library should be vested, held, possessed, and administered, in trust for and on behalf of the Community of this Colony, and for and on behalf and subject to the control of such Persons during the currency of the period of their Subscriptions as shall by periodical subscription have contributed to the support of the Library in and by a Committee to be elected by and out of the said Subscribers. Be it therefore enacted, that the management of the said Library and the Books, Manuscripts, Funds, and all other things now belonging and which may hereafter accrue to and belong to the said Library, shall, until a Committee be elected under and by virtue of the Provisions of this Ordinance be vested, held, possessed, and administered, in trust, for the Community of this Colony, and for and on behalf and subject to the control of such Subscribers as aforesaid, during the currency of the period of their respective Subscriptions, in and by the Committee of Management for the Public Library of the Colony of the Cape of Good Hope, elected under and by virtue of the Provisions of the said Ordinance No. 71, which shall be in Office at the passing of this Ordinance, and thereafter in and by such other Committees as shall from time to time be elected under and by virtue of the Provisions of this Ordinance, and that the Persons elected under and by virtue of the Provision of the Ordinance 71, to be and who shall at the passing of this Ordinance be in Office as Treasurer or Auditors of the Public Library, shall during the same period as aforesaid, hold and perform the duties of such their Offices under and by virtue and subject to the Provision of this Ordinance.

III. And be it further enacted, That the election of persons, to serve as Members of the Committee of the Public Library, shall take place at an Annual General Meeting of the Subscribers, to be holden in the month of April 1837, and in the same month of each succeeding year, on public Notice being given to that effect by the Committee then in office, at least ten days previous to the day appointed for the Meeting; and the Subscribers then present, shall except in the cases hereinafter mentioned, proceed to elect from amongst the whole number of Subscribers, nine persons to serve as Members of the Committee, until the next ensuing Annual Meeting; and to elect one person from amongst the Committee then chosen, to serve the office of Treasurer for the same period, and to elect one or more persons from amongst the Subscribers, not being Members of the Committee, to serve the office of Auditor for the same period, provided always that no Subscriber, whose permanent residence is more than ten miles from Cape Town, shall be eligible to serve as Member of the Committee, Treasurer, or Auditor. And in the event of the death, departure from the Colony, or resignation of any Member of the Committee, or of his removing his permanent residence, beyond the distance of ten miles from Cape Town, or of his ceasing to be a Subscriber to the Library, or of the election of any Committee becoming null and void, or of any Committee, forfeiting their office under, and by virtue of the 4th and 11th Sections of this Ordinance, the Committee or in the event of the number of Members of the Committee having been reduced to less than a quorum, or of the election of the Committee, having become null and void, or of the Committee having forfeited their office as aforesaid, then the Librarian shall, and the Committee and Librarian are hereby respectively directed, and required to call forthwith a General Meeting of the Subscribers, on seven days notice, for the purpose of electing the necessary number of qualified persons, to fill the vacant office, and if any of the persons so elected, being present at the Meeting, at which he shall be elected, shall decline to serve any of the offices for which he shall have been chosen, then the Meeting shall forthwith proceed to elect some qualified person to fill up the vacancy, but in case any person so elected, not being present at the Meeting, at which he shall be elected, shall not within one week after his election has been intimated to him by the Librarian, who is hereby directed and required forthwith, to make such intimation by letter, notify to the Librarian his acceptance of office, then the Librarian shall, and he is hereby directed and required to call a General Meeting, on seven days public notice for the purpose of electing the necessary number of qualified persons to fill up the vacant offices, until the whole of such vacancies shall have been filled up, and that when any person elected to serve the office of Treasurer or Auditor, shall decline to serve or shall not notify his acceptance of any such office in manner hereinbefore provided or shall vacate such office, by ceasing or becoming disqualified to hold the same, then, and in every, such case proceedings shall be had for the election of some qualified person to fill up such vacant office, in like manner as is hereinbefore provided for the election of qualified persons, to fill the vacant offices of Members of the Committee: Provided always, that it shall be competent to the Subscribers at such General Meeting, to reelect the whole or any of the Members of the existing Committee, the Treasurer or the Auditor or Auditors, to serve for the ensuing year, or until the next ensuing Annual election.

Subscribers not to proceed to election, until existing Committee exhibit statement of their Accounts, and which shall have been previously audited.—New Committee to publish statement of Accounts.

IV. And be it further enacted, that in order to secure as far as may be the due and regular Administration of the affairs of the Library, it shall not be lawful for the Subscribers at any Annual Meeting, to proceed to the election or re-election of office bearers for the ensuing year, until the Committee in Office shall have laid as they are hereby directed and required, to lay before the Meeting a statement of the receipts and expenditure of the Library, during the period which shall have intervened between the last previous audit and allowance of Accounts, and the day fixed for the said Meeting, which Statement and Accounts must have undergone the previous examination, and if necessary the correction of the Auditor or Auditors, and in case such Annual Meeting shall see fit to allow the said Accounts, then and in that case only shall the Committee and Auditor or Auditors be relieved from their responsibility, and the election shall proceed: Provided always, that the Committee then to be elected, shall publish the said Statement and Accounts in the *Government Gazette* for general information, within fourteen days after allowance of the same, otherwise their election is hereby declared to be null and void.

Where Committee do not tender a correct and certified Account, Subscribers at such Annual Meeting may elect.

If Committee do not call Annual Meeting, a General Meeting shall be held, at which the Subscribers shall elect 3 Inspectors to examine into and report on the cause of the Annual Meeting not having been called, Subscribers may take such steps thereon as they shall see fit.

V. And be it further enacted, That in case any Committee shall neglect or refuse to render an Account of their Administration in manner aforesaid, or shall render Accounts which have not been certified by the Auditor or Auditors, or which being so certified, shall not be allowed by a majority of votes at the Annual Meeting, or in case the Auditor or Auditors shall neglect or refuse to examine such Accounts, it shall and may be lawful for the Subscribers present at such Annual Meeting to elect, or when the Committee shall not have appointed some day in the month of April for holding, or shall not have called the Annual General Meeting of the Subscribers in manner hereinbefore provided, then and in such case a General Meeting of the Subscribers shall be held on the 7th day of the succeeding month of May, or if the same be on a Sunday or Holiday, on the next lawful day, (of the holding of which Meeting the Librarian is hereby directed and required to give Public Notice,) and the Subscribers present at such Annual Meeting shall then elect, by Ballot, three Subscribers to act as Inspectors, whose duty it shall be to examine into the cause of such neglect or refusal, to call on the Committee or Auditors for all necessary information on the subject of their inquiry, and to make report thereon at a General Meeting of the Subscribers to be assembled on their requisition within seven days after their appointment as Inspectors, which Meeting shall thereupon take such steps as circumstances may require, and may allow the Accounts and proceed to the election or direct proceedings against the Committee as they shall see fit; Provided always, that in case of the non-allowance of the Accounts at any General Meeting, the Treasurer for the time being shall make no further disbursements until a new Committee shall have been duly elected.

Committee may appoint, suspend, or dismiss Librarian and other Officers, and to make Regulations for the Management of the Library not inconsistent with this Ordinance, and shall be laid before next General Meeting for their decision thereon.—Committee may not encroach on the Capital of the Library unless, &c. If Librarian or other Officers be suspended, a General Meeting shall be called thereupon to consider thereof. Three shall be a quorum of Committee, but in certain cases five.

VI. And be it further enacted, That it shall and may be lawful for the Committee for the time being to appoint a Librarian and other Officers at such rates of Salary and under such Orders as they shall see fit, and to suspend such Librarian, and to dismiss or suspend such other Officers, and to make and promulgate all necessary Regulations for the management of the Library and of its Officers, provided the same be not inconsistent with, or contrary to, the true intent and meaning of any of the enactments of this Ordinance, and that all such proceedings and Regulations shall be laid before the next General Meeting of the Subscribers and shall be subject to their decisions; and that no such Regulation whereby any existing Regulation which shall have been passed or approved of by any Meeting shall be repealed or altered, shall take or be carried into effect; and that it shall not be lawful for the Committee to incur any obligations or engagements, or do any act by which the Capital belonging to the Library may be encroached. or unless a Resolution to that affect shall have been entered on the Minute Book of the Committee, and until one month after a copy of any such Regulation or Resolution shall have been affixed in some conspicuous place within the Hall of the Library. And provided further, that whenever the Committee shall suspend the Librarian or any other Officer as aforesaid, the Committee shall forthwith call a General Meeting of the Subscribers on ten days previous Public Notice for the purpose of confirming such suspension and dismissing such Librarian or other Officer, or of rescinding such suspension; and provided further, that for the dispatch of the Ordinary Business of the Committee three shall be a quorum, but that no new Regulation shall be made, nor any existing Regulation be repealed or altered, nor any Resolution passed for vesting the Funds on Mortgage, or encroaching on the Capital of the Library at any Meeting of the Committee at which fewer than five Members shall be present.

Subscribers to call General Meeting when required by thirty Subscribers.

VII. And be it further enacted, That the Committee for the time being shall and they are hereby directed and required to call, by Public Notice given for that purpose, a General Meeting of the Subscribers whenever they shall be required so to do by any requisition to that effect, specifying the object and purpose of the Meeting, and signed by not fewer than 30 Subscribers on any lawful day specified in such requisition, not being less than four days subsequent to the date of the transmission of such requisition to the Committee; and if no day shall be so specified, then on any day not more than three weeks subsequent to the date of such transmission as to the Committee shall seem fit. And when the Committee or the Librarian shall neglect or refuse to give any Public Notice, or to call any Meeting of the Subscribers which such Committee and Librarian are by the Provisions of this Ordinance respectively directed and required to give or to call, then and in such case it shall and may be lawful for any five of the Subscribers to give any such Public Notice and to call such Meeting to be holden on any lawful day, not less than four days subsequent to the publication of the Notice calling the same.

At Annual or any General Meeting Subscribers may approve, alter, &c. proceedings of Committee.

VIII. And be it further enacted, that it shall and may be lawful for the Subscribers present at the Annual or any other General Meeting of the Subscribers to consider all proceedings which may have been taken, and all Regulations which may have been made and promulgated by the Committee during the period, which shall have intervened since the last General Meeting, was holden and by the votes of the majority of Subscribers then present to approve, alter, and to annul the same as they shall see fit as also to repeal or alter or amend any Regulations which shall have been passed or approved by any former General Meeting, and to make any new Regulation, for the management of the Library, or the Administration of the property and affairs thereof as they shall see fit, provided always that a notice that any such repeal alteration or amendment of any such existing Regulation as last mentioned, or that any such new Regulation as aforesaid is to be proposed at such Meeting shall have been affixed to some conspicuous place within the Hall of the Library, for at least seven days previous to such Meeting.

Duties of Treasurer.

IX. And be it futher enacted that the Treasurer of the Library, for the time being shall immediately on entering upon the duties of his office and on receiving the balance of the Library Funds, open an account with the Discount Bank, and pay over to the Cashier thereof the said balance as well as all sums which he may hereafter receive on the Library account as soon as possible after receipt thereof, and it shall not be lawful for the said Treasurer to retain in his private posession any monies the property of the Library, under the penalty of thereby forfeiting his office and becoming liable to pay to the Committee for the benefit of the funds of the Library interest at the rate of 10 pCt., for and during the period such money shall be illegally retained by him, or to draw any part of the funds thereof from the Bank except in making disbursements which shall have been previously sanctioned by a written Resolution of the Committee of which it shall be the duty of the Auditor to take due notice and which disbursements shall be made by drawing checques on the said Bank, signed by the Treasurer and countersigned by the Chairman of the Committee for the time being, provided always that nothing herein contained shall be construed to prevent the Committee from vesting such part of the Funds as may not be required for the immediate use of the Library in mostgages on Houses or landed property, and at the legal rate of Interest a necessary condition of the mortgage Bonds, being when Houses are so mortgaged that the said Houses shall be duly insured against accidents by fire—and provided further that no part of the Funds of the Library shall be applicable, or be applied to defray the expenses of any litigation whatever save and except in cases in which it may have been necessary or proper to have recourse to legal proceedings for the Recovery of debts, due to the Library or in defence of its just rights, and in which the Court before which such proceedings shall have been taken, shall expressly adjudge that such expenses shall be defrayed out of the Funds of the Library.

Library to be open to the Public —Public have no power to interfere with Committee.

X. And be it further enacted, That the said Library shall remain open to the Public, at least Seven Hours, during each day in the Summer months, and Six Hours in the Winter months, except on Sundays and Holidays, or at other times, when it may be necessary to close the same for the purpose of alteration, repair or other reasonable cause, and all respectable persons, even although they be not Subscribers, shall have free excess thereto, at such hours, together with the use of the Books, Charts, or other publications of the Library of Reference together with all other publications not required for immediate circulation: Provided always that no person, who is not a Subscriber, shall have the right of demanding Books or other Works to be taken out of the Library, or of attending at the Meetings of the Subscribers, or of being a Member of, or of interfering with the Committee, in their administration of the Affairs of the Library in any way whatever.

Library of Reference.—Not to put in circulation.

XI. And, whereas the Public Library already contains many valuable Books and other works, which it has been deemed expedient to preserve as a Library of reference, and which have already been classed and distinguished from those which when required shall be circulated amongst the Subscribers.

Be it therefore enacted, that the several Books, Maps and other Works, which previously to the passing of this Ordinance, shall have been classed as belonging to and placed in such Library of Reference, together with such other Books, Maps, and Works which may hereafter from time to time be added thereto in manner hereinafter mentioned, shall remain and be kept within the Library in all time to come for the purpose aforesaid, and shall not be put in circulation by any Committee under pain of *ipso facto* forfeiting their office, and that the Committee for the time being, shall have the power of placing any other Books, Maps or Works in the said Library of Reference, provisionally until the next General Meeting of the Subscribers, who shall at such Meeting decide, whether the same shall be finally placed in the Library of Refereuce ornot. And that it shall not be lawful for any Committee, nor for the Subscribers at any General Meeting to remove from the Library of Reference, and put in circulation any such Books, Maps, or other Works as shall at the passing of this Ordinance have been or shall hereafter in manner aforesaid, finally be classed as belonging to and placed in the Library of Reference. Provided nevertheless, that the Committee shall have the power upon application in writing being made to them to lend out to any individual on special occasions under such conditions as they shall see fit any of the aforesaid works.

The Dessinian Collecti n shall remain in the Library apart, under the management of a Committee of the Consistory of the Dutch Reformed Church.

XII. And whereas by the Will of the late J. N. von Dessin, executed in the year 1761, a large and most valuable collection of Books was bequeathed in trust to the Consistory of the Dutch Reformed Church in Cape Town, to serve as the nucleus of a Public Library, and a certain annual sum was likewise so bequeathed in trust for its preservation and maintenance; and whereas the said Collection known by the name of the "Dessinian Collection," was some years past removed from the immediate keeping of the said Consistory and placed in a separate apartment of the Building appropriated at that time for the reception of the Public Library, established under the Proclamation of the 20th March 1818, and it is desirable that the Dessinian Collection should still remain attached to and form part of the Public Library, subject however to certain separate Regulations for its management. Be it therefore enacted, that the said Dessinian Collection shall continue to be in a proper and commodious part of the Building which is now or may hereafter be appropriated for the reception of the Public Library, and separate and apart from the Books thereunto belonging, subject to the sole and entire management of a Committee of the said Consistory, who shall make as heretofore all such Regulations for its management as they shall deem requisite; provided the same do not interfere with the general Regulations for the management of the Public Library; and provided also that such Regulations shall be notified to the Committee of Management at least ten days previous to their having force and effect; and the said Consistory shall continue to expend from the Funds under their separate trust, and independently of the Subscribers to the Library or their Office-Bearers, all such sums of money as they shall see fit to appropriate for the maintenance and augmentation of the valuable Collection committed to their charge, and shall have power to appoint at their own expense, if needful, a Librarian, to take the entire charge of the Dessinian Collection; provided always, that nothing herein contained shall be construed to authorize the said Consistory or its Committee to interfere officially in any way with the management of the said Public Library, or the application of its Funds.

Style by which Committee may sue or be sued.

XIII. And be it further enacted, That in any Action which shall or may be brought, touching the matters aforesaid, or any of them, or in anywise relating the said Public Library, by or against the Committee of the said Public Library for the time being, it shall and may be lawful for the said Committee to sue or be sued by the style and description of—"The Committee of Management for the Public Library of the Colony of the Cape of Good Hope."
